1 Basis of Preparation

The interim condensed financial statements have been prepared in compliance with Sri Lanka Accounting Standards LKAS 34 - Interim Financial Reporting. These interim condensed financial statements should be read in conjunction with the annual financial statements for the year ended 31st March 2020.

The presentation and classification of the financial statements of the previous year have been amended, where relevant, for better presentation and to be comparable with those of the current year.

The interim condensed financial statements are presented in Sri Lankan Rupees and all values are in Millions, unless otherwise stated.

2 Segment information

Management has determined the operating segments based on the reports reviewed by the Executive Board that are used to make strategic decisions.

Trading - Items which are directly imported and sold without further processing are categorised under this.

Non-trading - This segment includes the items which are further processed before sold.
