1 Basis of Preparation

The interim condensed financial statements have been prepared in compliance with Sri Lanka Accounting Standards LKAS 34 - Interim Financial Reporting. These interim condensed financial statements should be read in conjunction with the annual financial statements for the year ended 31st March 2021.

The presentation and classification of the financial statements of the previous year have been amended, where relevant, for better presentation and to be comparable with those of the current year.

The interim condensed financial statements are presented in Sri Lankan Rupees and all values are in Millions, unless otherwise stated.

Changing of Accounting Policy

The Company/Group has voluntarily changed the accounting policy on Right-Of-Use Assets relating to Lands which meets the definition of a property, plant and equipment from cost model to revaluation model with effect from 31st March 2022. The change in accounting policy from cost model to revaluation model has not led for a retrospective restatement due to the exemption available in the Paragraph 17 of LKAS 8 “Accounting Policies, Change in Accounting Estimates and Errors”. As per Paragraph 17 of LKAS 8, the initial application of a policy to revalue assets in accordance with LKAS 16 “Property, Plant and Equipment” is a change in an accounting policy to be dealt with as a revaluation in accordance with LKAS 16, rather than in accordance with LKAS 8. LKAS 16 provides that when an item of property, plant and equipment is revalued, the carrying amount of that asset is adjusted to the revalued amount at the date of revaluation. Accordingly, Company/ Group has adopted the said policy change with effect from 31st March 2022.
