Financial Assets and Liabilities measured or disclosed at Fair Value

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

The fair values of the quoted equities are based on price quotations at the reporting date.

Long-term fixed-rate borrowings are evaluated by the Group based on interest rates.

Those assumptions for assets categorised as Level 3 has been described under respective notes to the financial Statements as at 31 March 2021.

During the reporting period ended 31 March 2022 and 31 March 2021, there were no transfers between Level 1 and Level 2 fair value measurements.
