8 FAIR VALUE MEASUREMENT

GROUP

The Group uses the following hierarchy for determining and disclosing the fair value of assets and liabilities by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs that have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: Techniques that use inputs that have a significant effect on the recorded fair value that are not based on observable market data

The Group held the following assets and liabilities carried at fair value in the statement of financial position:
