8 FAIR VALUE MEASUREMENT

GROUP

The Group uses the following hierarchy for determining and disclosing the fair value of assets and liabilities by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs that have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: Techniques that use inputs that have a significant effect on the recorded fair value that are not based on observable market data

The Group held the following assets and liabilities carried at fair value in the statement of financial position:

Financial Assets and Liabilities measured or disclosed at Fair Value

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

The fair values of the quoted equities are based on price quotations at the reporting date.

Long-term fixed-rate borrowings are evaluated by the Group based on interest rates.

Those assumptions for assets categorised as Level 3 has been described under respective notes to the financial Statements as at 31 March 2022.

During the reporting period ended 30 June 2023 and 31 March 2022, there were no transfers between Level 1 and Level 2 fair value measurements.
