Change in government policy on importation of chemical fertilizers and Pesticides.

The importation of chemical fertilizers and pesticides has been banned indefinitely, according to the Gazette No. 2226/48, published on May 6, 2021. The gazette was issued in response to the Sri Lankan Government's policy directive to increase the use of organic fertilizer and biopesticides in agricultural activities.

The Company is currently strengthening its organic fertilizer and biopesticide supply chains to meet demand in accordance with Government policy. Clarifications on specific aspects related to policy implementation are yet under discussion with the relevant authorities, and the Company is working to realign its strategies accordingly. As there is currently a lack of clarity in the practical implementation of the policy direction, it would be premature to estimate any potential financial implications arising from this policy change.
