JETWING SYMPHONY PLC

CHAIRMAN'S MESSAGE

Ayubowan!

To the Shareholders and Well-wishers of Jetwing Symphony PLC.

As another quarter comes to an end, I'm delighted to announce that your Group recorded revenue of LKR 484 million for the quarter ended 31 December 2018 (Q3FY19), which was a 37% increase from the last corresponding quarter (Q3FY18). The top contributors were Jetwing Yala, Jetwing Colombo Seven and Jetwing Lake, making up over 90% of the Group revenue. Increased ARR and overall occupancy were key drivers of this growth. Revenue for the 9-months then ended was LKR 1,303 million which was a 30% increase from 31 December 2017.

The Group gross profit margin increased to 84%, from 82% for Q3FY19 whilst recording a gross profit of LKR 404 million – a 40% increase from the previous corresponding quarter. All properties operated with gross profit margins above 75%, driven by proper management of resources.

All Jetwing Symphony Hotels, with the exception of Jetwing Surf, recorded positive EBITDA and EBIT figures. The Group recorded an EBITDA of LKR 163 million and an EBIT of 82 million for Q3FY19 which translated to a 2 times and a 36 times improvement, respectively, from the previous corresponding quarter. Off-season in Arugam Bay resulted in reduced occupation during the quarter under consideration which, combined with high fixed costs, resulted in poor EBIT and EBITDA performance for Jetwing Surf.

The Group recorded a loss of LKR 32 million, on a recurring basis (profit/loss excluding forex gains/losses), for the quarter ended 31 December 2018 – a 69% QoQ improvement; and a loss of LKR 170 million for the 9-months then ended, which was a 50% improvement. The LKR depreciated by c.7.9% against the USD during the quarter, further affecting the Group's bottom line; which ended with a loss of LKR 131 million (22% drop, QoQ) and a loss of LKR 370 million for the 9-months then ended, a 7% reduction from the last corresponding period.

The operational hotels are positioned as premium – with all our properties recording significantly higher ARRs than the corresponding quarter. Jetwing Kaduruketha saw a c.83% increase in the ARR as the hotel is consolidating on its luxury eco-resort status. Jetwing Colombo Seven and Jetwing Kaduruketha reported slight drops in their overall occupancy rates, due to a reduction in the number of online travel agency bookings and free independent tourist bookings, as a result of the political situation which prevailed in the country during the quarter. However, the overall occupancy rates of the other properties saw a significant increase which is testament to the popularity of your Group's hotels.

Construction of Jetwing Kandy Gallery, Symphony's latest addition, is currently underway with about 80% of the overall sub-structure and 30% of the super-structure work completed. Expansion of Jetwing Symphony's operating hotel portfolio is in line with Symphony's philosophy of maximizing shareholder returns by pursuing strategic investment opportunities.

On behalf of the Board of Directors of Jetwing Symphony PLC, I take this moment to thank all those who have made it possible for your Group to prosper. Jetwing Symphony is poised to capitalize on its current position and is expected to record significant growth in the next quarter, as we race to remain strong and relevant in an ever-changing world of travel and tourism.
