CHOOSE THE SURGICAL SPECIALIST

At Asiri Surgical Hospital, excellence is a promise we renew every day. In a world of rising expectations and constant change, we remain steadfast in our mission to redefine what care truly means.

Our approach goes beyond clinical expertise, and is evident in the integration of advanced medical technology, personalised attention, and genuine empathy—all thoughtfully delivered from consultation to recovery, and designed to meet the highest standards.

With compassion at our core and innovation at the forefront, we reimagined the patient journey this year—investing in breakthrough technologies, enhancing healing environments, and empowering our teams to provide care with both precision and heart. This report reflects the result of that commitment: a place where healing feels human, and progress is measured not only in outcomes, but in the lives we uplift.

As we look to the future, we are confident that at Asiri Surgical Hospital, care will continue to evolve—guided by compassion, driven by innovation, and carried forward each day by people who see their work not simply as a duty, but as a calling.

That is why, for decades, we have been the most chosen surgical specialist by Sri Lankans across the island.

ABOUT US

Asiri Surgical Hospital (ASH) is a premier private sector surgical hospital in Sri Lanka, renowned for its commitment to delivering exceptional surgical care.

Specialising in a broad range of surgical disciplines, ASH offers everything from routine procedures to complex surgeries, all performed in state-of-the-art operating theatres equipped with advanced diagnostic facilities and the latest medical technology.

Innovation is at the heart of everything we do at ASH. We continually invest in the latest medical technologies and surgical techniques to stay at the cutting edge of healthcare, ensuring that patients have access to the most advanced treatment options available. Patient care at ASH extends far beyond the operating room. From pre-surgical consultations and detailed diagnostic evaluations to personalised post-operative care, our dedicated team plays a crucial role in ensuring the best clinical outcomes for every patient. Moreover, remain dedicated to maintaining the highest standards of medical excellence supported by stringent protocols for infection control and patient safety.

In essence, ASH stands as a beacon of healthcare excellence, offering access to world-class surgical care to patients across Sri Lanka.

CHAIRMAN'S REVIEW

“

The 2024/25 financial year marked a transformative period for Asiri Surgical Hospital, as it continued to redefine the frontiers of surgical excellence, technology adoption and patient-centred care in Sri Lanka.

”

Ashok Pathirage

Chairman/ Managing Director

Dear Shareholder

It is with great resolve that we present the Annual Report of Asiri Surgical Hospital PLC for the financial year 2024/25. This has been a year in which we strengthened our position as Sri Lanka's leading centre for advanced surgical care, while broadening our role in shaping the future of healthcare delivery in the country.

THE OPERATING ENVIRONMENT

The year under review was marked by shifts in both global and local healthcare trends. Internationally, surgical medicine continued to evolve at an unprecedented pace, driven by artificial intelligence, robotics, and the growing demand for personalized care. Closer to home, Sri Lanka's healthcare system is adapting to the realities of an ageing population, the rising prevalence of non-communicable diseases, and increasing patient expectations for precision, safety, and comfort. The operating environment was also influenced by a cautiously improving macroeconomic climate, with inflation moderating, interest rates easing, and greater stability in the currency. These factors supported more positive consumer sentiment, even as challenges such as higher energy costs, VAT on medical equipment, and migration of skilled professionals created pressures for healthcare providers. Within this context, competition among private hospitals intensified, while policymakers and regulators placed greater emphasis on transparency, compliance, and quality. For Asiri Surgical Hospital, these dynamics reinforced the importance of resilience, differentiation through innovation, and a steadfast focus on patient trust.

ADVANCING SURGICAL EXCELLENCE

At Asiri Surgical, our intent has always been to lead, not follow. During the year, we achieved several milestones

that redefined surgical care in Sri Lanka. The launch and rapid scale-up of our Transcatheter Aortic Valve Implantation (TAVI) programme placed us at the forefront of minimally invasive cardiac surgery, performing the highest number of such procedures in the country. Complementing this, we established Sri Lanka's first AI-integrated Cardiac Catheterization Laboratory, a landmark in diagnostic accuracy, procedural safety, and efficiency.

We also responded proactively to Sri Lanka's demographic shifts by expanding Geriatric and Rehabilitation Services, including the introduction of a dedicated Cardiac Rehabilitation programme. This focus on continuity of care reflects our belief that long-term health outcomes are shaped not only by interventions but by recovery and preventive pathways.

Our expertise deepened in high-demand specialties. In neurosciences, the opening of a dedicated Neuro Clinic and the creation of a Neurosurgical Spine Unit enhanced our ability to manage complex brain and spinal conditions. Our Kidney Transplant Programme reached new milestones under strict ethical oversight, and preparations are underway to launch Liver Transplant Services to address a critical national need. Oncology services were also strengthened, with advanced diagnostic technologies and treatment models that combine innovation with patient-centred care.

FINANCIAL PERFORMANCE

Our operational progress was matched by financial resilience. Despite cost pressures from imports, currency movements, and supply chain challenges, we sustained investment in critical areas while maintaining financial stability. Revenue grew 8.5% to Rs. 7.1Bn, reflecting steady demand for our specialized services and the expansion of high-impact programmes. EBITDA remained stable recording a growth of 3% to Rs. 280 Mn, supported by disciplined procurement, careful capital allocation, and efficiency gains from digitalization. Profitability was moderated by lower finance income, in line with the prevailing interest rate environment, together with higher administrative expenditure. However, these effects were offset by a 45% reduction in finance costs, strengthening our overall financial position.

This balance between growth investment and prudent stewardship ensures that we remain financially strong and capable of reinvesting in advanced technologies, expanding specialties, and enhancing patient experience, while delivering long-term value to our stakeholders.

QUALITY, PATIENT EXPERIENCE AND INNOVATION

Operational excellence continued as a parallel priority. We automated processes across billing, diagnostics, discharge, and pharmacy services, improving turnaround times, streamlining patient journeys, and allowing clinical staff to dedicate more time to direct patient care. By combining technology with compassion, we are building a model of surgical care that is efficient, empathetic, and internationally competitive.

CHAIRMAN'S REVIEW

Every advancement during the year was guided by our commitment to patient safety and superior outcomes. Our surgeons, physicians, nurses, technicians, and support staff remain the true foundation of our reputation, delivering skill, compassion, and dedication that ensure we consistently live up to our brand promise.

COMMITMENT TO ESG

We recognize that our role extends beyond hospital walls. During the year, we extended access through free specialty clinics in disciplines such as brain and spine care, urology, liver care, and breast health. These initiatives provided early detection and expert consultation to wider communities, strengthening our contribution to public health and well-being.

We also advanced our environmental agenda. Hospitals are high-resource environments, and we are determined to reduce our footprint. Investments in energy-efficient systems, sustainable waste management, and eco-conscious facility upgrades reflect our responsibility to grow responsibly while aligning with global sustainability goals.

LOOKING AHEAD

We move forward with clarity and confidence. Our priorities are threefold: to deepen our expertise in high-demand surgical fields such as cardiac, neuro, transplant, and oncology; to harness artificial intelligence, robotics, and advanced imaging to make interventions more precise, less invasive, and personalized; and to expand access to our expertise, both through community outreach and collaborations with public healthcare providers.

Our vision is not only to match international standards of surgical excellence, but to ensure that every innovation translates into real, measurable benefits for patients and the healthcare system as a whole.

APPRECIATION

The progress we achieved this year is the outcome of collective effort. We extend our gratitude to our Board for their guidance, to our management team for their strategic discipline, and to our clinical and non-clinical staff for their professionalism and compassion. We also acknowledge the vital support of our consultants, collaborators, bankers, suppliers, and regulatory partners, including the Ministry of Health, who work alongside us in delivering the highest standards of care. We also recognize the role of our patients, whose trust motivates us to constantly raise the bar, and our wider community of stakeholders who continue to support our mission. Above all, we thank our shareholders for their trust and confidence, which fuel our determination to achieve more and aim higher.

As we look to the future, we are confident that Asiri Surgical Hospital will not only maintain its leadership as Sri Lanka's premier surgical hospital but will continue to set new benchmarks in advanced healthcare, combining precision, compassion, and innovation with a clear vision for the future.

Sgd

Ashok Pathirage

Chairman/ Managing Director

26th November 2025

KEY OPERATIONAL HIGHLIGHTS

The 2024/25 financial year marked a transformative period for Asiri Surgical Hospital, as it continued to redefine the frontiers of surgical excellence, technology adoption and patient-centred care in Sri Lanka.

Renowned for its leadership in complex procedures and innovation, Asiri Surgical Hospital further solidified its status as the premier destination for advanced surgical interventions, supported by specialised clinics and next-generation infrastructure.

KEY ACHIEVEMENTS

Among the most significant milestones of the year was the successful launch and execution of the Transcatheter Aortic Valve Implantation (TAVI) programme. Asiri Surgical Hospital performed the highest number of TAVI procedures in

Sri Lanka, securing its leadership position in minimally invasive cardiac surgery and setting a national benchmark for excellence in interventional cardiology.

Another landmark achievement was the establishment of Sri Lanka's first AI-integrated Cardiac Catheterisation Laboratory (Cath Lab). This cutting-edge facility has enhanced diagnostic precision and procedural safety, significantly increasing the volume of cardiac interventions and placing ASH at the forefront of cardiology innovation.

ASH also launched Geriatric and Rehabilitation Services, including Cardiac Rehabilitation, in response to the healthcare needs of an aging population. This service model focuses on preventative and chronic care, supporting patients in their long-term recovery journeys and addressing a national demographic shift.

In the field of neurosciences, the hospital opened a dedicated Neuro Clinic and introduced a Neurosurgical Spine Unit, delivering specialised care in spinal disorders and complex neurosurgical procedures. These additions reinforce Asiri Surgical Hospital's emergence as a hub for neurological care in Sri Lanka.

The hospital's Kidney Transplant Programme continued to scale up, with all procedures conducted under stringent

ethical and regulatory frameworks. Looking ahead, preparations are underway to introduce Liver Transplant Services, further enhancing ASH's transplant portfolio and meeting critical national healthcare needs.

NEW DISCIPLINES AND CLINICS

Asiri Surgical Hospital expanded its outreach by offering free specialty clinics across multiple disciplines, including:

- Brain & Spine
- Urology
- Liver
- Breast Care

These clinics enhance community access to early diagnosis and expert consultations, in line with the hospital's ESG commitment to public health and community well-being.

Operational enhancements also played a key role in the success of Asiri Surgical Hospital. The hospital rolled out automation across key workflows, including billing, diagnostics, discharge and pharmacy services. These digital solutions reduced turnaround times, increased efficiency, and significantly improved patient satisfaction, reflecting the institution's unwavering commitment to innovation and inclusive care.

SUSTAINABILITY REPORT

ASIRI GROUP APPROACH TO SUSTAINABILITY

The Asiri Group's approach to sustainability is based on creating a long-lasting positive impact on the community, environment, and all stakeholders involved. Six key principles serve as the foundation of these efforts, guiding every aspect of Group operations to ensure that sustainability is not just an initiative but fundamentally integrated at all levels of operation. By embedding sustainability at every level, the Asiri Group of Hospitals is dedicated to creating and delivering the best possible value outcomes for all stakeholders, thereby reinforcing their commitment to a sustainable future and ensuring that their actions today contribute to a healthier, more resilient tomorrow.

In its ongoing endeavour to make sustainability efforts more impactful, the Asiri Group has, in recent years, aligned its strategies with the specific targets outlined in the United Nations' Sustainable Development Goals (SDGs) as part of the 2030 sustainable development agenda. Recognising the importance of focused action, the Group has chosen to concentrate on six key SDGs. This strategic alignment ensures that the Group's sustainability initiatives not only reflect global priorities but also resonate deeply with the Group's mission to deliver exceptional healthcare while contributing to the broader well-being of society.

ASIRI GROUP SUSTAINABILITY APPROACH

QUALITY ASSURANCE

Benchmark global quality standards across all administrative and operational areas

SAFETY LEADERSHIP

Implement global best practices for safety

CULTURE OF CONTINUOUS IMPROVEMENT

Invest in automation and ongoing monitoring to drive continuous improvement

BUILDING A STRONG TEAM

Create a challenging work environment to facilitate learning and growth

ENVIRONMENTAL STEWARDSHIP

Promote green practices wherever possible and improve environmental awareness among employees and other stakeholders

COMMUNITY WELL-BEING

Safeguard the health and well-being of the wider community

Keep up with the latest medical advancements in the healthcare industry to enhance the provision of healthcare services

Patients

Delivery of safe, effective and quality healthcare services to ensure best possible patient outcomes

Employees

Provide a conducive work environment to nurture employee satisfaction and loyalty

Provide safe work environment for employees

Provide training for employees to keep abreast of latest industry knowledge and best practices

Create opportunities by hiring locally

Provide access to quality healthcare services across Sri Lanka

Offer medical treatment for vulnerable socio-economic groups as part of corporate social responsibility programmes

Raise awareness on pressing health issues to promote healthier lifestyle choices.

Community

Safeguard the health and well-being of the wider community through the provision of basic

Environment

Minimise the negative impact on the environment prioritising efficiency and proper management practices

Comply with all environmental regulations with regard to waste management practices.

Ensure that all medical waste and other toxins are treated before discharge or incinerated to protect public health.

Pursue value adding partnerships for the advancement of sustainability

QUALITY ASSURANCE

Asiri Health is committed to delivering the highest quality of care to deliver optimal clinical outcomes for every patient. To that end, all Group hospitals are accredited by internationally recognised standards for hospitals. Asiri Central Hospital is JCI (Joint Commission International) accredited, while the other five hospitals are all accredited by the Australian Council on Healthcare Standards (ACHS). In March

2024 the five hospitals were re-accredited for a period of three years until March 2027. Asiri Central Hospital was re-accredited by JCI in 2023 which is valid until 2026.

In alignment with these accreditations, we have instituted a comprehensive quality improvement and patient safety programme to promote quality excellence across all administrative and operational

facets, concentrating on identified key focus areas with all hospital policies and procedures developed and implemented to support these crucial areas. The Group Quality Assurance Department is tasked with overseeing the implementation of the quality and safety programme by guiding senior management of each hospital to achieve the stated objectives.

ASIRI HEALTH QUALITY ASSURANCE FRAMEWORK

SUSTAINABILITY REPORT

This approach is supplemented with regular training and staff education as well as continuous monitoring, live audits, documentation audits, and mock drills conducted alternately by the Quality Assurance Department, Infection Control Department, and Environment Health & Safety Department to ensure adherence to hospital policies. Additionally, several committees have also been established to bring more focused oversight to key priority areas, conduct independent reviews, and implement immediate corrective actions to address identified gaps, thereby maintaining the group's quality targets.

The Group's dedication to quality is further enhanced by its adherence to other global standards, including ISO 22000:2018 - Food Safety Management System Certification, and ISO 9001:2015 - Quality Management Systems Certification.

DIGITAL SOLUTIONS FOR PROCESS IMPROVEMENTS

In the health care environment, digital solutions play a vital role in enhancing patients experience and convenience, driving efficiency and improving productivity of our teams. By leveraging on technology, work flows can be streamlined and optimized, patient waiting times reduced and patient outcomes improved.

Through Digital solutions and processes we strive to enhance patient satisfaction, rationalize costs and improve overall quality of care.

A CULTURE OF CONTINUOUS IMPROVEMENT

At Asiri Health, continuous improvement is embedded into the organization's culture and operations, driven under the stewardship of the Asiri Group Chief Process Officer in collaboration with the Softlogic IT team and Asiri IT team. This collaborative framework ensures that collective expertise is harnessed to identify inefficiencies, design and implement effective solutions, and rigorously monitor outcomes. The

integration of process improvements through digital transformation represents an ongoing journey, aimed at delivering enhanced patient experiences, greater convenience, improved team productivity and a healthier work-life balance across the workforce.

At the core of process improvement lies the systematic review of existing workflows with all relevant stakeholders. Each process is analysed, simplified and stripped of non-value-adding tasks before being converted from manual to automated workflows. This ensures both patients and teams experience tangible benefits. Mapping workflows allows stakeholders to visualize improved processes easily, fostering greater buy-in for automation.

Target-setting is a collaborative exercise involving stakeholders, with analytics used to track and measure progress against established goals. Results are then reviewed and shared with teams, ensuring transparency and recognition for those who deliver improvements. As these initiatives roll out across the Group, performance can be monitored at both hospital and Group levels, highlighting achievements against collectively set goals.

DEPLOYING BUSINESS INTELLIGENCE FOR SMARTER ANALYTICS AND AI BACKED DIGITAL PLATFORMS.

Asiri Health strategically leverages Business Intelligence (BI) tools to refine practices, remain responsive to patient needs, and continuously improve healthcare delivery. Powered by Artificial Intelligence (AI), these tools provide robust analytics that generate real-time insights. Automated patient feedback highlights areas requiring attention, enabling proactive intervention. At the same time, BI analytics monitor resource utilization, uncover consumption patterns, and help minimize waste across operations.

One of the most impactful improvements has been the implementation of the Discharge Workflow Monitoring System. Developed in-house by the Asiri IT team and supported by dynamic dashboards, the system extracts data directly from the Hospital Billing Management System (HBMS) to monitor the complex discharge process. This patient journey involves multiple stakeholders, including wards, indoor pharmacy and billing teams. The tool tracks key touchpoints to ensure timeliness, focusing on two core objectives: the prompt preparation and handover of the final bill, leading to minimizing patient waiting time, and the swift return of rooms to inventory to support new admissions.

To drive these outcomes, multiple Key Performance Indicators (KPIs) are set, monitored, and regularly reviewed, with corrective action taken when necessary. Today, the system is operational across all Asiri hospitals, giving stakeholders clear visibility into progress while ensuring measurable improvements in efficiency, accuracy, and patient satisfaction.

The Discharge Workflow Monitoring System is equipped with a sophisticated tracking feature that monitors outcomes at each touchpoint of a patient's discharge journey. This functionality enables real-time flagging of delayed bills at the end of each day, ensuring they are promptly escalated for investigation and corrective action. In addition, the system monitors the time taken to prepare rooms for re-entry into inventory once a patient has been discharged.

By identifying and addressing delays immediately, the tool minimizes inefficiencies, improves room turnover and strengthens overall operational flow.

Building on this success, the Group has also extended the Discharge Workflow Monitoring System to Outpatient Department (OPD) procedures, including day surgery units, dialysis, and endoscopy services ect. This extension is designed to minimize patient waiting time after they are discharged.

Discharge work flow KPIs

Year	Average Time For Bill Completion in Minutes	% Bills, Completion Less than one Hour.	Bill Completion Over 2 Hours %.	No of hospitals

SUSTAINABILITY REPORT

The automation of the theatre booking process represents important improvement across the Group. Transitioning from manual bookings to a sophisticated digital platform has transformed how medical teams manage theatres. The system streamlines scheduling, ensures optimal resource allocation, and provides access to real-time utilization data. This not only supports strategic decision-making but also enhances operational efficiency across all hospitals, driving cost savings.

In addition, Dental and Physiotherapy services have been automated in several hospitals, moving away from traditional paper-based bookings. The new system improves service efficiency and is in the process of being rolled out across all Group hospitals.

Asiri surgical hospital

Cost Centre Name	Reports Completed within 24 Hour (%)	Completed Within 3 Days %	Delay %
CT UNIT	48%	88%	12%
MAMMOGRAM	36%	68%	31%
MRI UNIT	35%	79%	20%
TOTAL	43%	80%	20%

To further enhance efficiency in the wards and improve overall ward management, a system for medication ordering was initiated and implemented across Group hospitals last year, with a few sites commencing in 2023. This digitalization has replaced traditional paper-based

Another notable advancement is the automation of workflows in Radiology units. The system now covers the entire process – from booking appointments to report completion – while tracking turnaround times. Service levels are monitored closely against defined benchmarks, such as the critical 24-hour report turnaround. Any delays are flagged daily and automatically escalated to the respective hospital's radiology team and their heads for prompt corrective action. Furthermore, patients receive automated SMS notifications once their reports are ready for collection, significantly improving convenience and the overall patient experience.

processes with a streamlined, user-friendly system that simplifies medication ordering. It supports improved patient care in the wards by minimizing delays at discharge.

Drug Ordering Compliance

The workflow in the OPD pharmacies across the Group was also simplified and automated. With the in-built analytics features of this system, the Group can now monitor and maintain its targeted service levels, while promptly addressing any delays. The automated system facilitates the measurement of prescription handling times, identification of bottlenecks, and implementation of necessary improvements ultimately enhancing the overall patient-experience.

Initially launched in a few hospitals, this initiative has now been rolled out across all hospitals in the Group. Staff prescriptions are also tracked through the system, with respective pharmacy heads having access to the tool. They have been duly trained to use this digital solution, enabling them to take corrective action after reviewing their service levels.

Targets

- 1) Ensure 85% of the OPD Prescriptions are handled within 20 Minutes.
- 2) Minimize delays over 45mints - 5% of the prescriptions.
- 3) 90% prescriptions go via the system.

Description Month of March 2025	ASH	CHL		AHK		AHM	AHG	AHH	Group
		Ground	3rd Floor	1st floor	3rd floor				
Staff prescriptions	910	501	520	410	255	538	525	1,195	4,854

% of delays	1%	3%	2%	4%	2%	6%	7%	5%	4%

In parallel, the automation of OPD consultations was rolled out across the Group and enables future bookings during consultations, supporting continuity of care. As all patient assessments are automated it allows the OPD doctors to review patient history before seeing patients leading to better care.

In addition, patient waiting times are continuously monitored and reviewed to ensure that service levels are maintained in line with the Group's commitment to improving patient experience and convenience.

OPD Consultation Patient Waiting Time (In Mints) - Mar'25

AHG	78%	8%	6%	8%

Source Asiri IT system/BI

The Diabetic Centre at Asiri Medical is now fully automated, enhancing patient care and convenience while supporting continuity of care. Patients benefit from the ability to schedule future bookings

seamlessly, ensuring consistent follow-ups and better management of their conditions.

Automation initiatives were also extended to the Dialysis and Endoscopy Units, with rollouts planned across the Group to ensure we maximize patient convenience and moving ways from tedious paper run workflows.

As part of its ongoing process improvements, the Group's 'Amazing Care' ambulance service has been fully automated. This digitalization, integrated with advanced analytics, enables the measurement and continuous monitoring of service levels, ensuring timely corrective actions to enhance patient experience. Beyond patient convenience, the initiative also drives operational efficiency and effectiveness for the ambulance team. This service is being optimized for rollout as a standard offering across all Group hospitals in the near future.

Dispatch Time Service Level Tracking

SUSTAINABILITY REPORT

The Group-wide patient feedback mechanism continues to be transformed with the commissioning of the Emojot Customer Experience Management platform, which is a AI-powered Patient Experience (PX) Intelligence and Engagement platform that complements existing hospital systems by capturing real-time, multi-channel feedback across the care journey, detecting and routing complaints .

It digitizes critical hospital processes such as patient admissions, incident management, and infrastructure maintenance, while providing role-based insights for CXOs, unit heads, and frontline staff. The result is improved patient satisfaction, operational efficiency, accreditation readiness, and stronger brand trust.

This marks a transformation from manual collection of patient feedback prior to 2019.

To further complement these efforts, patient satisfaction surveys were introduced as a routine process for all for day surgery, ETU, dialysis, and chemotherapy outpatients to gather feedback on their experiences.

Discharge Response Rate

Group In patient feedback Response Rate - April 2024 to March 2025

Group In patient feedback Response Rate

Recommendation Score

The same platform is used to enhance patient convenience by enabling online admissions for planned admissions, which helps minimize patient wasting time at the hospital on admission for administrative work.

Moreover, the Facilities Management System (FMS) was successfully deployed across all hospitals in the Asiri Hospital Group through the Emojot platform. Designed to be user-friendly and highly efficient, the system records and monitors the handling of routine internal breakdowns by instantly alerting the relevant maintenance teams. By tracking the time taken to resolve each reported issue, the FMS ensures prompt responses and effective resolutions. This transformation not only improves operational efficiency but also enhances the overall hospital environment for patients and staff alike.

OUTLOOK

At Asiri, digital transformation is not a one-time initiative but a continuous journey. Measurement of key performance indicators, ongoing training of our teams and constant review are integral to sustaining the process automation rolled out across the Group. Simultaneously, back-end processes are continuously streamlined and automated to enhance productivity and efficiency. This commitment reflects Asiri's core belief that continuous improvement is part of its culture – a way of life that drives operational excellence, strengthens team performance and, most importantly, enhances patient convenience and experience across all hospitals.

In addition to the above, there is continuous review of back end processes to simplify, take out repetitive non value adding tasks and use technology to improve productivity.

The same platform is used to enhance patient convenience by enabling online admission, which is particularly suitable for elective procedures to reduce the patient waiting time on admission.

As part of ongoing improvements, the Group's "Amazing Care" ambulance service was fully automated. This automation, combined with advanced analytics, enables the measurement of service levels, allowing for continuous monitoring and timely corrective actions to enhance patient experience.

Continuous improvement is a journey and part of our DNA where focus is always on enhancement of patient experience by simplifying and moving into automated workflows.

BUILDING A STRONG TEAM

At Asiri Health, the Human Resources Department plays a pivotal role in supporting the organisation's mission to provide exceptional healthcare services. The primary purpose of the HR department is to attract, develop, and retain a skilled and dedicated workforce that upholds the standards of excellence in patient care.

The HR department is responsible for managing a comprehensive range of functions, mainly including workforce planning, recruitment, employee relations, performance management, employee welfare and professional development. By implementing effective policies and procedures, HR ensures that the hospital staff are well-equipped to provide high-quality ethical healthcare solutions while fostering a supportive and collaborative work environment.

In addition to handling administrative functions such as payroll and benefits administration, the HR department is also instrumental in driving strategic initiatives that align with the organisation's goals. This includes promoting a culture of continuous improvement, ensuring compliance with healthcare regulations and International Accreditation standards, and supporting the overall physical and mental well-being of employees. Further, the HR Department is dedicated to enhance organisational efficiency and create a positive work environment, thereby contributing significantly to Asiri Health's commitment to excellence in healthcare.

REGULATORY COMPLIANCE AND LABOUR BEST PRACTICES

Nursing staff and other healthcare professionals are covered under the Wages Board Ordinance for the Nursing Home Trade, while administrative employees are covered by the Shop and Office Employees (Regulation of Employment and Remuneration) Act. The Asiri Group diligently complies with all other relevant labour regulations beyond the mentioned Acts, providing employees many additional benefits including 24 X 7 coverage of insurance and healthcare benefits over and above the statutory obligations. There were no incidents of non-compliance of labour laws reported in the FY 2024/25.

SUSTAINABILITY REPORT

In addition to ensuring compliance with legal requirements, Group HR is also tasked with implementing the best practices for human rights and labour standards as outlined by the International Labour Organization (ILO) and the United Nations Global Compact. By integrating these principles into its HR policies, Group HR strives to create a workplace that respects and promotes the dignity and rights of all employees, ensuring their well-being.

	Policy for Providing clinical exposure to trainee nurses of Asiri NTS		

MANPOWER PLANNING

Manpower planning forms the starting point to ensuring optimal productivity and workforce efficiency across the Group. Accordingly, the Asiri Group's Manpower Planning Policy promotes a systematic and proactive approach to meeting staffing requirements in a timely and efficient manner. This approach involves ongoing review throughout the year to identify any special need-based competencies coupled with the comprehensive review of staffing needs in line with the annual budgeting cycle to address gaps resulting from resignations and promotions. This dynamic and forward-looking strategy enables the Group to adapt to changing demands and maintain a high standard of patient care, while supporting employee development.

RECRUITMENT AND SELECTION

Asiri Group's highly transparent recruitment process is designed to attract candidates who not only meet the job role requirements but also align with the corporate culture and the organisational work ethics.

All vacancies identified through the manpower planning process are publicly advertised and internally notified, ensuring equal opportunity for both internal and external applicants, while selections are made purely on the basis of merit, based on a systematic approach outlined by the Group's Recruitment Policy.

As per the Post Recruitment Policy, all new recruits are placed on probation for a period of six months. Following the probationary period, a post-probationary performance review is conducted to evaluate if new hires are eligible to be absorbed into the permanent cadre or placed under a mentor to help improve their performance. This structured and equitable recruitment process enables Asiri Group to build a capable and cohesive workforce, fostering a culture of excellence and continuous improvement.

COMPENSATION AND BENEFITS

The Group's Compensation and Benefit Policy establishes a robust, merit-based pay structure designed with the aim of creating a competitive work environment that attracts and retains top talent. The policy promotes fair and equitable pay practices by ensuring employee compensation adheres to regulatory requirements as well as reflecting market standards and industry norms. Typically, employee remuneration includes a guaranteed basic salary as well as fixed and variable allowances determined by market surveys done on a regular basis for various job categories.

In the year under review, salary scales across all employee categories were revised in line with the findings from the most recent market survey.

PERFORMANCE MANAGEMENT

Performance management stands as the cornerstone of the Asiri Group's people management strategy, ensuring that the team consistently delivers outstanding results and upholds the highest standards of patient care.

All Asiri employees benefit from the Group's comprehensive Performance Management System (PMS), which is built on the fundamental principle that results-oriented employees clearly understand their roles and how their work aligns with corporate goals. To facilitate this, the PMS includes an annual performance review that offers an objective evaluation of each employee's performance against predefined standards and expected technical competencies for their respective roles.

A key component of the PMS is the individualised feedback sessions conducted by department heads or supervisors with their respective team members. These sessions are instrumental in setting new performance goals, identifying areas for improvement, determining training needs, and discussing personalised development plans. They serve as a comprehensive platform to address a wide range of employee concerns, laying a solid foundation for a strong working relationship between employees and their supervisors.

To ensure these sessions are thorough and constructive, they are conducted in the presence of HR representatives, who play an important role in addressing any grievances or career-related concerns that employees may have. This collaborative approach not only enhances the transparency and effectiveness of the feedback process but also reinforces our commitment to employee development and satisfaction.

Insights from these feedback sessions provide an opportunity to identify outstanding performers eligible for recognition and rewards. Similarly, it also provides a platform to identify poor performers who require additional support in the form of coaching and mentoring. These approaches ensure that all employees are empowered to contribute effectively to the Group's success and in doing so have the opportunity to pursue professional growth.

SUSTAINABILITY REPORT

TRAINING AND DEVELOPMENT

The capability of the workforce and skill levels play a significant role on the progress of the Asiri Group; hence the Group is committed to ensuring that all employees have access to learning and development opportunities which enable them to be suitably equipped with knowledge and skills to meet the demands of today's dynamic healthcare environment.

A comprehensive L & D structure guides the line managers to objectively identify the training needs of their subordinates via employee evaluations, incident reports and customer feedback. In addition to training, there are development programmes identified and delivered to re-skill and up-skill employees for future leadership positions and there are tailor made sessions conducted to address organisational, unit wise, individual and quality related training requirements. There is also a structured post evaluation process conducted to assess the effectiveness of the training programs so that the process could be re-visited for continuous improvement.

Training is undertaken according to the annual training plan which focuses on three primary pillars.

CUSTOMER CARE AND PROFESSIONAL DEVELOPMENT

With customer care seen as a key tenet in the Asiri Group's service proposition training worth of 1,350 man-hours approximately were dedicated to Customer Care and Professionalism related training in the current financial year

SAFETY AND EMERGENCY PREPAREDNESS

Ensuring the safety of staff and patients is paramount at Asiri Surgical Hospital PLC FY 2024/25 1,560 man hours were dedicated to safety training, including Fire Evacuation Drills, Fire Safety & Emergency Response, and Waste Disposal & Spill Management. These training sessions ensure that employees are well-equipped to handle emergencies efficiently, thereby enhancing the overall preparedness of the staff for critical situations

CORE HEALTH TRAINING

A significant portion of the annual training effort is dedicated to enhancing healthcare-specific skills. In the year under review, over 1,500 man-hours were dedicated to training programmes in the areas of Basic Life Support, Advanced Life Support, Immediate Life Support, Neonatal Life Support, and First Aid, ensuring staff readiness for medical emergencies. Additionally, numerous specialized clinical training sessions for nurses and medical officers were conducted regularly in keeping with the principle of Continuous Professional Development. This comprehensive training strategy underscores Asiri Group's commitment to maintaining the highest standards of healthcare services and emergency preparedness

EMPLOYEE WELL-BEING

At Asiri Group of Hospitals, the commitment to excellence in healthcare extends beyond patient care to include the well-being of all employees.

Recognizing that a motivated and healthy workforce is essential for delivering exceptional medical services, the Asiri Group has implemented a comprehensive range of initiatives designed to support and enhance employee well-being.

Health Programmes

Asiri Group prioritises the physical health of its employees through a variety of health programmes. Regular health screenings, vaccinations, and wellness check-ups are offered to ensure early detection and prevention of health issues. In addition, the hospitals provide access to mental health resources, including continuous counselling services and stress management workshops, helping employees maintain a balanced and resilient mindset.

Work-Life Balance

Understanding the demanding nature of healthcare roles, the Asiri Group recognises the importance of personal time and strives to create a work environment where employees can manage their professional and personal responsibilities effectively. To that end, the Group offers flexible work schedules and sufficient time off to ensure all employees benefit from a healthy work-life balance.

Professional Development

Employee growth is the cornerstone of the Asiri Group's philosophy. The organisation invests in continuous professional development through ongoing training programmes, workshops, and career advancement opportunities. By fostering a culture of learning and progression, the Asiri Group ensures that

its employees are not only well-equipped to handle their current roles but are also prepared for future challenges and leadership opportunities.

Supportive Work Environment

The Asiri Group acknowledges that a supportive and inclusive work culture is integral to employee satisfaction. Therefore open communication channels, regular feedback sessions, and team-building activities are conducted to create a positive and collaborative work environment. The management team actively seeks input from staff to address concerns and implement improvements, reinforcing a sense of community and belongingness within the organisation.

Employee Recognition and Rewards

Acknowledging and rewarding the hard work and dedication of employees is a key focus at Asiri Group. Through various recognition programmes, performance awards, and appreciation events, the organisation ensures that employees feel valued and motivated. These efforts not only enhance job satisfaction but also strengthen overall organisational morale.

Asiri Crèche Facilities

The Asiri Group of Hospitals, renowned for excellent healthcare services, intensifies the commitment to the well-being of its staff through the establishment of a comprehensive creche facility. This exemplifies the organisation's recognition of the importance of work-life balance and its investment in the holistic development of both its employees and their children.

The primary aim of the Asiri Group's Crèche is to provide a safe, nurturing, and stimulating environment for the children of hospital staff. By doing so, the organisation seeks to support its employees in managing their professional responsibilities while ensuring that their children receive high-quality care and early education.

The day care facility is thoughtfully designed to cater to the needs of children and few highlighted facilities are given below;

- Safe and Secure Environment
- Qualified and Caring Staff
- Teaching facility for children of different age groups
- Develop mentally appropriate programs
- Health and Nutrition
- Parental Engagement
- Learning guidance with qualified teachers

The day care facility significantly impacts the staff of the Asiri Group of Hospitals by alleviating the stress associated with balancing work and family responsibilities. It allows employees to focus on their roles with greater peace of mind, knowing that their children are in a secure and enriching environment.

Additionally, this initiative reinforces the organisation's commitment to employee well-being and fosters a supportive workplace culture. It enhances staff retention and satisfaction, contributing to a more engaged and productive workforce.

EMPLOYEE WELL-BEING SURVEY 2024

In FY 2024/25, the Asiri Group conducted an extensive survey aimed at assessing employee well-being, reaffirming its dedication to cultivating a supportive and nurturing workplace. The survey was designed to gather feedback on multiple facets of employee satisfaction, encompassing insurance schemes, meal provisions, transportation, daycare services, hostel accommodations, medical benefits, counselling services, engagement activities, and discount programmes.

Key Findings: The survey provided valuable insights into employee satisfaction, revealing positive sentiments across several areas alongside areas for improvement to guide ongoing efforts to create a supportive work environment and enhance the overall employee experience.

EMPLOYEE RELATIONS AND ENGAGEMENT

The Asiri Group's proactive approach to employee relations is formed around the principle of open and honest communication with employees designed to achieve the following objectives:

- Foster effective and collaborative workplace relations through consultation and cooperation between the Group and its employees
- Ensure timely and consistent resolution of employee grievances to enhance workplace productivity and morale
- Implement robust systems, processes, and procedures to manage and address issues raised by employees
- Minimise productivity losses stemming from employee dissatisfaction

SUSTAINABILITY REPORT

GRIEVANCE HANDLING

The Asiri Group prides itself on a robust grievance handling process designed to uphold fairness and resolve issues promptly and effectively. As such a clear and transparent grievance process has been established to guarantee that all employee grievances are taken seriously and resolved in a manner that promotes employee satisfaction and organizational harmony

Additionally, the Group has also obtained the services of an external third-party specialist counsellor to provide professional assistance to employees, if needed

Similarly, the Group believes that creating an environment for regular employee engagement helps to promote job satisfaction and employee motivation resulting in a loyal and committed team. Consequently, the Group has implemented various engagement mechanisms facilitating team connectivity, fostering camaraderie, and nurturing a unified workforce to propel business growth.

ESG AT ASIRI HOSPITAL HOLDINGS: BUILDING A SUSTAINABLE HEALTHCARE FUTURE

Environmental Stewardship: Our Commitment to a Healthier Planet

At Asiri Hospital Holdings, we recognise that environmental sustainability is integral to our mission, "To care for and improve the quality of human life, through the provision of ethical healthcare solutions together with cutting-edge technology" During 2024-2025, we are accelerating our environmental initiatives, understanding that a healthy planet is essential for healthy communities. Our hospitals have implemented comprehensive waste management programs, focusing on reducing waste generation through innovative recycling processes. We have also invested in energy-efficient equipment and upgraded our infrastructure across the hospital group, thereby reducing our carbon footprint while maintaining the highest standards of patient care.

Social Impact: Strengthening Communities Through Healthcare Excellence

We have expanded our community outreach programs, providing essential healthcare services to underserved populations in our operational areas. We continue to prioritise patient safety and accessibility, ensuring that quality healthcare remains within reach for diverse socioeconomic groups.

GOVERNANCE EXCELLENCE: TRANSPARENT LEADERSHIP FOR SUSTAINABLE GROWTH

Strong governance forms the foundation of our ESG strategy, ensuring accountability, transparency, and ethical decision-making at all levels of our organisation. Our board maintains robust oversight mechanisms that integrate ESG considerations into strategic planning and operational decisions. We have strengthened our risk management frameworks to address emerging environmental and social challenges while remaining committed to financial performance and shareholder value creation.

WASTE MANAGEMENT-TRASH TO TREASURE

We have introduced dedicated collection bins for used pens across the group. These pens are sent to a recycling company that refills and reuses them, thereby reducing plastic waste. On average, our group disposes of approximately 70,000 pens annually, which will now be diverted from landfills and given a second life through this recycling initiative.

The 'No Bin Day' initiative at our staff cafeteria encourages waste reduction by removing bins on selected days. This practice promotes mindful consumption, raises awareness of the broader impact of waste, and helps reduce overall waste generation. By cultivating a culture of responsibility among staff, the initiative highlights the importance of sustainable habits in daily life.

In addition, food waste is measured and displayed daily to keep staff informed and motivated to minimise waste.

We systematically collect empty plastic bottles from across our healthcare facilities, including:

- Used water bottles
- Empty saline bottles
- Other PET plastic containers

These collected materials are carefully sorted and sent to Sri Lanka's largest plastic recycling facility, where they undergo an innovative transformation process.

Our recycling partner operates one of only two plants globally with the advanced capability to manufacture polyester yarn directly from PET plastic flakes. This cutting-edge facility processes an impressive **90 million PET plastic bottles annually**, converting waste into valuable polyester yarn.

We submit our collected waste cooking oil to certified collectors who collect and export the oil to manufacture biodiesel. The waste cooking oil is exported by our collection partners to manufacturing facilities, where it undergoes conversion into a renewable alternative to traditional fossil fuels.

SUSTAINABILITY REPORT

Cardboard and paper materials are collected and submitted to outside parties for recycling purposes.

We work with authorised collectors who transport our glass bottles directly to glass manufacturing facilities for recycling.

Asiri Group Hospitals has implemented comprehensive digital platforms across our hospital network to significantly reduce paper consumption and enhance operational efficiency while reducing the generation of waste.

Every June, Asiri Group Hospitals celebrate World Environment Day by hosting the **Green Gallery School Art Competition** in partnership with local schools.

This annual art competition invites school children to express their environmental awareness and creativity through poster art. Students create artwork that showcases their understanding of environmental issues and their vision for a sustainable future.

Each Asiri Group Hospital hosted a special award presentation ceremony to recognise talented young artists.

BEACH CLEAN-UP INITIATIVES UNDER "HANDS FOR THE OCEAN" CAMPAIGN.

As part of our annual commitment to environmental sustainability and marine conservation, Asiri Health proudly conducted four coastal clean-up events in 2024 under the "Hands for the Ocean" campaign. Through these initiatives,

our dedicated teams successfully removed over 500 kilograms of marine litter, making a tangible contribution to the preservation of Sri Lanka's pristine coastlines. Embedded within Asiri Health's Environmental, Social, and Governance framework, these clean-up drives exemplify our unwavering dedication to safeguarding natural ecosystems while inspiring community-driven environmental stewardship.

Advancing Workplace Safety Excellence:

Asiri Group's Lost Time Injury Frequency Rate Achievement

Asiri Group of Hospitals has achieved a significant milestone in workplace safety excellence, recording a Lost Time Injury Frequency Rate (LTIFR) of 0.68 for the financial year ending March 31, 2025. This performance metric reflects our unwavering commitment to creating and maintaining a safe working environment for our healthcare professionals and support staff across all facilities.

Transforming Safety Culture:

How Increased Non-Clinical Incident Reporting Reflects Excellence at Asiri Group

The increasing trend in non-clinical incident reporting across our facilities reflects a positive organisational transformation rather than a deterioration in safety standards.

SUSTAINABILITY REPORT

ANNUAL SAFETY MONTH – “ZERO HARM HORIZON”

Every August, Asiri Group Hospitals marks its annual *Safety Month* as a cornerstone of our commitment to a resilient safety culture. In 2024, the event was held under the theme **“Zero Harm Horizon”**, symbolising our vision of a future free from harm. Across all hospitals, a series of impactful activities—including training programs, interactive workshops, and knowledge-driven quizzes—were conducted to raise awareness, build competencies, and reinforce our ongoing dedication to safeguarding our people and patients.

EMERGENCY PREPAREDNESS MONTH – “EVERY ROLE MATTERS-BE DRILL READY”

In observance of the *International Day for Disaster Risk Reduction*, Asiri Group Hospitals holds **Emergency Preparedness Month** every October under the theme **“#Every Role Matters – Be Drill Ready.”** During this month, a series of targeted exercises is conducted, including fire evacuation drills, mass casualty incident simulations, and other emergency response drills aligned with each hospital's risk register.

These initiatives enhance our operational readiness for critical situations and emphasise that every individual plays a vital role in safeguarding lives, reinforcing a culture of resilience and preparedness across all Asiri healthcare facilities.

CORPORATE GOVERNANCE

The fundamental relationship between the Board, Management, Shareholders and other Stakeholders are established by our governance structure.

Corporate Governance (CG) is a framework of rules and practices by which an organisation is directed, controlled and managed. The CG framework provides an overview of the Corporate Governance structures, principles, policies and practices of the Board of Directors of Asiri Surgical Hospital PLC (ASH). At Asiri, the approach to CG is guided by ethical culture, stewardship, accountability, independence, continuous improvement, oversight of strategy and risk. The fundamental relationship between the Board, Management, Shareholders and other Stakeholders are established by our governance structure, through which the ethical values and corporate objectives are set and plans for achieving those objectives and monitoring performances are determined. To serve the interests of shareholders and other stakeholders, the Company's Corporate Governance system is subject to ongoing review, assessment and improvement. The Board of Directors proactively adopts good governance policies and practices designed to align the interests of the Board and Management with those of shareholders and other stakeholders and to promote the highest standards of ethical behaviour and risk management at every level of the organization

BOARD OF DIRECTORS

The Board of Directors is responsible for setting the strategic direction, safeguarding assets, managing risks and setting the tone at the top. They have set in place governance frameworks to facilitate achievement of strategic goals and compliance with regulatory frameworks while balancing stakeholder interests.

Composition of the Board is set out graphically on the previous page while profiles of the Directors are given on pages 34 to 35. Directors provide annual declarations of their independence in accordance with the stipulations of the Listing Rules of the CSE and the guidelines of the Code of Best Practice. Board balance is facilitated with four Non-Executive Independent Directors who are reputed leaders in their fields of expertise. A sufficiency of financial acumen within the Board is assured with the presence of two Directors who are experienced in accounting and finance professional. The skills, experience and standing of the individual Board members ensures sufficient deliberation on matters set before the Board and exercise of independent judgement. Directors can also seek independent professional advice when deemed necessary, for which the expenses are borne by the Group.

The role of the Board is to provide entrepreneurial leadership of the Company within a framework of prudent and effective controls facilitating effective

risk management. They are collectively responsible for the following:

- Providing strategic direction and establishing performance objectives to monitor the achievement of strategic goals
- Establishing an effective management team
- Establishing appropriate systems of corporate governance in the Group
- Ensuring the adequacy and effectiveness of internal controls, Code of Business Conduct and other policies to facilitate regulatory compliance and risk management.

COMPOSITION OF THE BOARD

Executive Chairman (1)

Senior Independent Directors (1)

Independent Non-Executive Directors (4)

Non-Independent Non-Executive (2)

Non- Executive Directors (6)

COMMITTEES OF THE BOARD

The Board is supported by the following committees which facilitate effective discharge of its responsibilities. Minutes of the sub-committee meetings are circulated to the Board ensuring awareness of the activities of the sub-committees by all Board members.

6. Mr. G.D.K.L.De Silva

CHAIRMAN & MANAGING DIRECTOR

The Chairman's main responsibility is to lead and manage the Board to ensure that it operates effectively and fully discharges its legal and regulatory responsibilities.

The Chairman also serves as the Managing Director, who is responsible for the recommending of strategy to the Board, leading the Executive Directors and for making and implementing operational decisions.

INDEPENDENCE OF THE DIRECTORS

Mr. R. Selvaskandan, Mr. S. Saar, Mr. M.I.Furkan and Mr. G.D.K.L.De Silva function as Independent Directors of the Company. As per the rules issued by the Colombo Stock Exchange, above Directors meets all the criteria of independence. The Board having evaluated all the factors concluded that their independence has not been impaired due to them serving on the Board of another Company which has a significant shareholding in the Company.

RE-APPOINTMENT AND RE-ELECTION TO THE BOARD

- Directors are appointed by the Board in a structured and transparent manner.
- Appointments are made with due consideration given to the diversity of skills and experience within the Board.
- As per the Company's Articles of Association, one third of the Directors

CORPORATE GOVERNANCE

DIRECTORS' REMUNERATION

The Remuneration Committee makes recommendations to the Board on remuneration policy and remuneration of the Chairman and Managing Director, Executive Directors, Non-Executive Directors and Key Management Personnel in line with the business goals of the Company.

The Group's Remuneration policy is designed to attract and retain talent which comprises of fixed income and a variable income which is linked to their performance. Non-Executive Directors' remuneration comprises only a fixed fee and does not have any variable component. No Director is able to determine his/her own remuneration as Directors' Remuneration is a matter reserved for the Board as a whole with due consideration given to the recommendations of the Remuneration Committee of the Board.

The Report of Board Remuneration Committee is on page 55 provides further information. The aggregate remuneration paid to the Directors is disclosed in the Notes to the Financial Statements on page 124 of this Report.

SHAREHOLDER RELATIONS

Shareholder relations are managed through a structured process with multiple platforms facilitating shareholder engagement and timely dissemination of information. The Annual General Meeting is the key platform for engagement and notice of the AGM and all relevant documents are circulated among shareholders at least 15 working days prior to the AGM. The Chairman/ Managing Director and Board Directors and External Auditors attend the Annual General Meetings to respond to queries that may be raised by the shareholders. In addition

to the AGM, shareholder engagement is also facilitated by the Group's investor relations department which maintains a continuous dialogue with shareholders through dissemination of announcements on material developments and quarterly performance. They are also a point of clarification for shareholders.

ACCOUNTABILITY AND AUDIT

Board responsibilities include presenting a balanced assessment of the Group's financial performance, position and prospects on a quarterly and annual basis. This Annual Report has been prepared in discharge of this responsibility and includes the following declarations/ further information required by regulatory requirements and voluntary codes:

- Audited Financial Statements – pages 70 to 136.
- Statement of Director's Responsibilities - page 59.
- Annual Report of the Board of Directors on the Affairs of the Company – pages 60 to 63.

The Audit Committee has oversight responsibility for monitoring and supervising financial processes to ensure integrity, accurate and timely financial reporting. It is also responsible for ensuring adequacy and effectiveness of the Internal Control and Risk Management processes and receives reports from Group Internal Audit and Group Risk Management in this regard. The Audit Committee comprises 3 Non-Executive Directors all of whom are Independent during the period under review. The Chairman of the Audit Committee is a Finance professional with extensive experience in the relevant areas whose profile is given on pages 08 to 10 The Terms of Reference of the Audit Committee complies with the

recommendations of the Code of Best Practice on Board Audit Committees issued by ICASL and guidelines stipulated by the SEC.

The Audit Committee is responsible for approving the terms of engagement of the external auditors including audit fees. The principal auditor has not provided any services which are stipulated as restricted by the SEC and the audit fees and non-audit fees paid by the Company to its auditors are separately disclosed on page 91 of the Notes to the Financial Statements.

The Board holds overall responsibility for determining the Group's risk appetite and implementing sound risk management and internal control systems to ensure that risk exposures are maintained within defined parameters. The Group's internal control systems are aimed at safeguarding shareholders investments and effectively managing risks that may impact the achievement of its strategic objectives. A discussion on the Company's key risk exposures and mitigation mechanisms are given in the Risk Management Report on pages 49 to 51 of this Report. The Audit Committee annually reviews the effectiveness of the Group's risk and internal control systems.

A formalised whistle-blowing policy is in place enabling employees to raise concerns anonymously on unethical behaviour, breach of regulations and/ or violations of the Group's Code of Conduct. Such complaints are investigated and addressed through a formalised procedure and brought to the notice of the Board, serving as an overriding control mechanism.

The Board Related Party Transactions Review Committee has been set up in compliance with guidelines stipulated by

the CSE. Directors individually declare their relevant transactions with the Company and its subsidiaries on a quarterly basis. A formalised process is in place for identifying related party transactions and avoiding conflicts of interest. All Related Party Transactions as defined by the applicable accounting standards are disclosed on Note 32 of the Financial Statements on pages 122 to 123 of this Report.

SHAREHOLDERS

All shareholders are encouraged to attend the Annual General Meeting of the Company and vote on the resolutions which form part of the agenda in accordance with matters reserved for shareholders. Extraordinary General Meetings are also called to inform shareholders on material developments that impact their interests and their consent is obtained for the same in accordance with the provisions of the Companies Act.

SUSTAINABILITY REPORTING

The Group continues its efforts to embed Sustainability in to its operations and report on how the Group manages risks stemming from economic, environmental and social factors. The Group's Annual Report is used as a platform to provide comprehensive sustainability communication to all stakeholders.

RISK MANAGEMENT REPORT

Risk management is a fundamental responsibility of the Board of Directors. The Asiri Group Board of Directors has established a robust Risk management framework which empowers all employees of the group to effectively manage risk in their day to day business activities. Being the key player in the private Healthcare industry in Sri Lanka, our main focus is on Health & safety of patients and the well-being of our employees, where we strive to improve the quality of human life, through the provision of ethical healthcare solutions together with cutting-edge technology. Driving towards a culture of safety, the Board is regularly reviews the adequacy of risk management controls in line with the defined risk appetite and to determine the Group's ability to fulfil operational and clinical compliance requirements. These risk assessments provide greater insights on the areas of improvements while the Risk scoring matrix helps top priorities the Group's key risks.

The Asiri Group keeps a keen eye on emerging Risks and has adopted number of Risk mitigation strategies to strengthen the Group's resilience. This includes ensuring the highest

level of industry standards and best practices are followed to eliminate expensive lawsuits and undue damages to the Group's reputation.

The Asiri Group has adopted an integrated Risk Management framework to identify, assess, prioritize the significant risks and manage those with appropriate risk mitigation actions. In this regard, the Risk Management Committee is assisted by special sub-committees that focus on Quality & Patient safety, Facility management, Incidents review, patient feedback & complaints review and Mortality & Morbidity review. Heads of the business unit act as the first line of defense, while financial controls, Information Security practices and Compliance functions serve as the second line of defense. The third line of defense comprises of Assurance services and internal controls as well as the Internal & External Auditors. Adequacy and effectiveness of the Risk management framework is periodically reviewed by the Board Audit Committee and required changes are recommended to Board of Directors.

PERCEIVED RISKS

Below table presents the key risks identified by Asiri Group of Hospitals together with potential impact and measures taken to mitigate those risks.

Risk	Potential Impact	Mitigation Strategy
Adverse Clinical outcomes rated as ISR 1 or 2	As a hospital, Risks associated with patient care are extremely imperative. Clinical risks can lead to other risks including reputation and legal risk in addition to causing financial losses.	Regular supervision of all clinical work at unit level to ensure competent staff are deployed and instructions followed at all times.
Any event or incident that leads to an adverse outcome for a patient rated as Incident severity rating 1 or 2 would be detrimental to the reputation of the organization. Examples- death of a patient due to negligence of the clinical team, surgical complications, hospital acquired infections of an immunocompromised patient, patient fall leading to head injury or fracture.	The likelihood and consequences of Clinical Risks may vary time to time. However it is the most significant and vulnerable area to Asiri Group of Hospitals in terms of Risk.	Abide by the clinical guidelines, SOP's and unit protocols to ensure consistency of services, Regular training and evaluation of clinical staff to ensure competency and update of knowledge Strict credentialing and evaluation process of all clinical staff at point of recruitment to ensure appropriate skill and competency, while practicing privileges granted accordingly to all clinicians, nurses and para medical staff. Timely preventive repair, replacement of medical equipment, instruments through comprehensive service contracts for critical equipment. Strict infection control program Monthly patient feedback, complaint review and Incident review as a continuous improvement process Subcommittee on Clinical Risk Management fully operates within its sphere to ensure that all clinical Risks that are reported, are addressed adequately and appropriate controls are in place to prevent additional Clinical Risk events. Frequent monitoring and review of Clinical Risks to ensure the Group's Clinical Risk Management plan is adequate and effective.

RISK MANAGEMENT REPORT

Risk	Potential Impact	Mitigation Strategy
Strategic Risk		
Strategic Risk is the risk that arises due to the timeliness and accuracy of the Group's strategy, and objectives, as well as the effectiveness of the strategy execution process. It is a possible source of loss that might arise from pursuing of an unsuccessful business plan.	Strategic risk is often a major factor in determining a Group's worth and may lead to a complete failure if not addressed accordingly.	Annual business planning sessions which involve brain storming with cross functional teams from senior management and heads of departments to staff members.
Strategic Risk might also arise from inadequate resource allocation or from a failure to respond well to changes in the business environment.	Incompetent strategic decisions will adversely affect shareholder objectives while failure to execute innovative decisions will hinder the expansion and opportunities in the emerging markets.	Monthly reviews with sales and marketing teams to understand and take appropriate action based on market behaviour and competitor activity. Regular follow up/ review on all new projects with the Group CEO and MD. All strategic decisions are scrutinized by the Board of Directors who have expertise knowledge and vast experience in the industry.
Operational Risk		
These are the Risk of losses resulting from inadequate or failed internal processes, people and systems or from external events.	Operational risk exists in the natural course of business activity. Failure to manage operational risks can expose the Group to significant losses.	The Group is committed to enhance the effectiveness of Operational Risk Management process through identification, assessment, treatment, monitoring and control of all operational aspects of the business. Regular review of processes and redesign to ensure smooth operation from customer's point of view. Our Risk management framework has been designed to promptly detect deficiencies in the policies, procedures and processes. However, some Risks may be latent and we have crisis management processes designed to improve our resilience to unforeseen events. Business continuity arrangements are in place to address supply chain disruption, employee repatriation, natural disasters, cyber-attacks, technical mishaps and can minimize their impact on our stakeholders as well as the Group's reputation and performance. Robust policies for IT Security have been implemented and frequent IT audits and reviews are conducted to ensure the adequacy of controls and areas of improvements.

Risk	Potential Impact	Mitigation Strategy
Human Resources (People)		
Service industry, in which the Group operates, is heavily dependent on human resources.	Human resource issues could affect the continuity of business operations. The consequences could be serious, when loss of key executives without suitable replacement.	The Group has introduced a comprehensive recruitment and retention process. Clinical staff are recruited following a thorough evaluation of their credentials and regulatory requirements. While ensuring the safety and welfare of the employees, our risk management approach is directed towards minimizing the Human related concerns. A succession planning program is in place which includes; regular trainings, developments, promotions, KPI and supervision.
Risks may arise from employee negligence, conflict of interest, fraud or misappropriation and due to poorly trained employees.	Thus the ability to recruit and retain qualified and skilled healthcare professionals are crucial for the Group's success.	Recognition and reward schemes to encourage and promote desirable behaviour is in place.
Human capital may affect by failure to attract, develop and retain skilled workforce.		Retaining key talent with appropriate incentive schemes and periodic review of performance if in place.
Technological & information security		
The healthcare industry is exposed to frequent technological change and failure to adopt these latest technologies will drive the Group towards technological obsolescence.	If systems are disrupted over the internet, by an adversary or an accident, that can have a profound impact on patient care.	Research and innovations in the healthcare industry are regularly perused as the Group is intent on adopting most innovative & advance technologies for diagnostics and treatments.
Increasing use of technology has hosted new levels of complexity and threats such as: security breaches, system failures, malicious attacks, IT fraud and many other issues.	Inability to adopt the latest pioneering technology could result in loss of customers, leading to fall in revenue and loss of market leadership.	Preventive maintenance of IT infrastructure, scheduled data backups, offsite storage and round-the-clock IT support by the parent Group are some of the strategies adopted to ensure zero losses of data during a system failure.
		The Asiri Group makes regular investments in pioneering technology and training of staff for optional application of existing technology.
Legal and Compliance Risk		
In a highly regulated, high Risk industry such as healthcare, compliance is especially important.	The Group will be exposed to legal penalties, financial forfeiture and material losses and the consequences of litigation are difficult to predict or quantify.	Regulatory compliance is ensured with check lists, timely renewal of licenses, regular inspection and review of practices and training of staff in HR, Finance, waste management, pharmacy and laboratory services etc.
Compliance risk arises when the Group fails to act in accordance with industry laws and regulations, internal policies or prescribed best practices.	In addition to complying with the Colombo Stock Exchange, Securities and Exchange Commission and Companies Act disclosure requirements, the Group also complies with Sri Lanka Accounting Standards. Non-compliance would cause severe reputation damages as well.	The Group's corporate governance framework ensures the transparency, compliance with laws & regulation and ethical business in all affairs with stakeholders. The Related Party Transaction Review committee has been established to assure the highest level of integrity and transparency.

AUDIT COMMITTEE REPORT

The Audit Committee of Asiri Surgical Hospital PLC is constituted to assist the Board in fulfilling its independent oversight responsibilities, particularly concerning the accuracy and integrity of financial statements, the effectiveness of internal controls, and adherence to applicable laws, regulations, and internal policies. Through this mandate, the Committee works to protect the interests of shareholders and other key stakeholders.

The Committee bears responsibility for overseeing the effectiveness of the company's internal control system, financial reporting processes, risk management practices, and compliance framework. It also assesses the adequacy of corporate governance mechanisms and provides guidance to ensure continuous improvement.

The Committee maintains independent oversight of both internal and external assurance functions. It ensures the independence, objectivity, and overall effectiveness of audit processes, aligned with relevant Sri Lankan professional standards and regulatory expectations.

Internal audit reports are reviewed in detail, and the Committee coordinates with senior management to ensure that appropriate remedial actions are taken to mitigate risks arising from identified control weaknesses, procedural violations, frauds, or errors.

To fulfil its duties, the Committee is equipped with the necessary resources and receives support from the Internal Audit Department, external auditors, legal counsel, and senior management. These collaborations facilitate thorough reviews of the company's accounting principles, financial controls, and compliance systems.

The Audit Committee of the company's parent, Asiri Hospital Holdings PLC, functions as the Audit Committee of the company, as permitted by the Listing Rule of the Colombo Stock Exchange.

COMPOSITION OF THE COMMITTEE

The Board Audit Committee consisted of three Non-Executive Directors, a majority of whom are independent, in line with the composition requirements specified by the regulators. During the financial

year, there were several changes in the Committee's composition:

Mr. G L H Premaratne and Mr. S. Ahangama ceased to be Directors on 30th September 2024 and 31st January 2025, respectively.

Mr. Mohamed Imran Furkan was appointed as a Non-Executive Director on 21st April 2025 and assumed the role of Committee Chairman on 21st May 2025, succeeding Mr. S. Ahangama.

The Board Audit Committee was recomposed on 3rd July 2025 with the appointment of Mr. Kalum De Silva as an Independent Non-Executive Director to the company.

The Board affirms that the current members possess the necessary financial acumen and relevant experience to serve effectively.

Board Member	Board Status
Mr. M.I. Furkan	Chairman / Independent Non-Executive Director
Mr. G.D.K.L. De Silva	Independent Non-Executive Director
Mr. H K Kaimal	Non-Executive Non-Independent Director

The Director – Finance and the Group Manager – Audit of Asiri Hospital Holdings PLC, together with the Group Head of Risk & Audit of Softlogic Holdings PLC, were permanent attendees. The External Auditors participated in meetings as required. The Company Secretary (Softlogic Corporate Services) served as Secretary to the Committee. The Committee's deliberations and recommendations were reported to the Board on a quarterly basis.

MEETING ATTENDANCE

Board Member	Attendance
Mr. S. Ahangama (Member/Chairman to 31/01/2025)	5/5
Mr. G L H Premaratne (Member to 30/9/2024)	3/5
Mr. H K Kaimal	5/5

KEY ACTIVITIES DURING THE FINANCIAL YEAR

FINANCIAL REPORTING

The Committee reviewed the company's financial reporting framework and confirmed that the accounting policies, internal controls, and disclosure practices are sufficient to ensure reliable and timely financial reporting. Key areas of focus included:

- The integrity and adequacy of annual and interim financial statements as per Sri Lanka Accounting Standards and the Companies Act No. 07 of 2007.
- The rationale for significant accounting estimates and judgments.
- The accuracy and completeness of transaction recording processes.
- The reliability of financial systems and management accounts.

Internal Audit

The Committee supervised the operations of a fully established Internal Audit Department. It reviewed and approved the annual audit plan, ensured the adequacy of departmental resources, and evaluated the performance of the Chief Internal Auditor.

Internal audit reports were rigorously examined for control deficiencies. Follow-up actions and, where required, re-audits were initiated to ensure continuous control improvements and compliance.

External Audit

The Committee recommended the reappointment of Messrs. Ernst & Young, Chartered Accountants as external auditors for the financial year ending 31st March 2026, subject to shareholder approval. Prior to audit commencement, the Committee reviewed the auditors' scope, strategy, and fees, and evaluated their independence and objectivity.

A closed-door session was held between Non-Executive Directors and the auditors to ensure independence and unrestricted communication. The management letter and subsequent responses were also reviewed and tracked for implementation.

Corporate Governance and Compliance

The Committee upheld the highest standards of corporate governance and reviewed the Company's internal control environment and compliance framework. Statutory and regulatory compliance reports—including tax compliance—were reviewed, ensuring continued adherence to legal obligations and internal policies.

COMMITTEE EFFECTIVENESS

The Committee undertook a self-assessment of its performance during the year. Results of this evaluation were submitted to the Board, confirming that the Committee continues to function effectively in line with its mandate.

ETHICS COMMITTEE REPORT

The Ethics Committee of the Asiri Group of Hospitals was constituted to serve as an advisory body on matters relating to conduct of research and clinical trials within the Asiri Group of Hospitals. Also, the matters concerning ethics issues around patient care referred to it by the Management and visiting & resident staff. The committee is responsible to report its decisions to Management.

The committee is entrusted with the task of peruse, on behalf of the Management, all proposals for research that is proposed to be carried out on Asiri Hospital patients submitted to the hospital for permission:

- To verify that the proposed investigators have obtained ethics approval from a SIDCER recognition by FERCAP Ethics Committee/s;
- To verify that the proposed investigators have obtained all other approvals and permissions necessary depending on the nature of the research and the proposed research subjects; and
- Also to verify that it meets other requirements that may be decided from time to time and set out as Committee Decisions.

The committee has so far reviewed experimental therapy and clinical trial protocols submitted to it by clinicians at Asiri. These include protocols on experimental stem cell therapy for Parkinson Disease and spinal cord transaction and a phase II trial for rheumatoid arthritis using an anti TNF alpha antibody. Also, the committee has reviewed the proposal for "Dialog m Health Trial with Asiri – (Evaluation of ambulant remote monitoring technology for investigating cardiac arrhythmias)".

The committee will Consider and advise the Management regarding ethics issues that arise around patient care as described in Standard Operating Procedures.

The committee is constituted and operates in accordance with an SLMA Ethics Committee proposal for the establishment of Hospital Ethics Committees in Sri Lanka.

REMUNERATION COMMITTEE REPORT

PURPOSE

The principal purpose of the Committee is to consider, agree and recommend to the Board a remuneration policy that is aligned with its long-term business strategy, objectives, risk appetite, values and the long-term interests of the Group whilst also recognizing the interests of stakeholders. The responsibilities of the Committee are laid out in its written Terms of Reference (TOR).

COMMITTEE COMPOSITION

During the year, the Human Resources and Remuneration Committee consists of 2 Non-Executive Independent Directors

The Composition of the Remuneration Committee was constituted on 3rd July 2025 as follows

- Mr. M.I. Furkan – Independent Non-Executive (Chairman)
(Appointed w.e.f. 3rd July 2025)
- Mr. G.D.K.L.De Silva– Independent Non-Executive (Appointed w.e.f. 3rd July 2025)
- Mr. H.K. Kaimal – Non-Independent Non-Executive Director (Appointed w.e.f. 3rd July 2025)

The Committee spent time understanding the interaction of remuneration and culture of the organisation and how our remuneration structures influence our chosen strategic behaviours. We performed a comprehensive review of our executive remuneration offering in order to optimise the structure of our package to enhance competitiveness.

REMUNERATION PACKAGE OF DIRECTORS

Remuneration of Directors

No remuneration is paid to Non-Executive Directors other than the Directors' fees paid based on their participation at Board meetings and other Sub-Committee meetings.

Retirement Benefits

Non-Executive Directors are not entitled to retirement benefits.

Share Option Plans for Directors

The Company does not have a share option plan for Directors.

Personal Loans for Directors

No Director is entitled to Company loans.

Total fees and remuneration paid to all Directors including the Managing Director and the Chairman are disclosed in Note 06 on page 91 in this report

ACTIVITIES OF THE YEAR

We continued to ensure that our remuneration policies were consistent with our strategic objectives, and were designed with the long-term success of the Group in mind. This was particularly so when considering how our remuneration schemes can drive behaviour in line with our chosen objectives and in line with industry best practices.

Our investment in a renowned HR platform, will continue to strengthen the effectiveness and efficiency of the systems and processes.

OUR REWARD FRAMEWORK

The Committee focused on delivering a reward framework that is transparent, tailored to individual roles and provide a clear link to the Company's strategic objectives. The objective is to drive performance to the highest standards while rewarding both performance and value behaviours. It seeks to be sufficiently competitive in order to attract, retain and motivate employees of the highest calibre.

THE YEAR HEAD

The Remuneration Committee will continue to monitor the remuneration policy to ensure that it is correctly aligned with the Group's strategy. The Committee's policy aims to properly reward performance in line with the Company's business objectives and growth to enrich shareholder value.

RELATED PARTY TRANSACTIONS REVIEW COMMITTEE REPORT

PURPOSE

The purpose of the Related Party Transactions Review Committee is to conduct an appropriate review of Softlogic Group's related party transactions and to ensure that interests of shareholders and other stakeholders are considered when engaging in related party dealings, hence preventing Directors, Key Management Personnel or substantial shareholders taking advantage of their positions. The Committee ensures adherence to the Rule 9 of the Listing Rules and guided by the Code of Best Practices on related party transactions issued by the Securities & Exchange Commission of Sri Lanka (SEC) and CA Sri Lanka. The Committee states opinions in accordance with the charter of the Related Party Transaction Review Committee. It reviews the charter and policies while making recommendations to the Board as and when deemed necessary.

COMPOSITION

During the year, the Related Party Transactions Review Committee consisted of three Non-Executive Directors, a majority of whom are independent, in line with the composition requirements specified by the regulators.

Mr. S.Ahangama - Independent Non-Executive (Chairman)
(*Resigned w.e.f 31st January 2025)

Mr. G.L. H Premaratne
- Independent Non-Executive
(*Retired w.e.f 30th September 2024)

Mr. H.K. Kaimal
- Non-Independent Non-Executive Director

The Composition of the Related Party Transactions Review Committee was constituted on 3rd July 2025 as follows.

Mr. M.I. Furkan - Independent Non-Executive (Chairman)
(Appointed w.e.f. 3rd July 2025)

Mr. G.D.K.L.De Silva
- Independent Non-Executive
(Appointed w.e.f. 3rd July 2025)

Mr. H.K. Kaimal
- Non-Independent Non-Executive Director

The Director Finance attends the meeting by invitation. Softlogic Corporate Services (Pvt) Ltd, serves as Secretaries to the Committee.

ATTENDANCE AT MEETINGS

Name	Meeting Attended
*Mr. S. Ahangama	2/2
*Mr. G.L.H. Premaratne	2/2
Mr. H.K. Kaimal	2/2

ROLES AND RESPONSIBILITIES

1. Reviewing in advance all proposed related party transactions of the Company in compliance with the Code.
2. Adopting policies and procedures to review related party transactions of the Company and reviewing and overseeing existing policies and procedures.
3. Determining whether related party transactions that are to be entered into by the Company require the approval of the Board or Shareholders

of the respective Companies.

4. If related party transactions are ongoing (recurrent related party transactions) the Committee establishes guidelines for senior management to follow in its ongoing dealings with the relevant related party.
5. Ensuring that no Director of the Company shall participate in any discussion of a proposed related party transaction for which he or she is a related party, unless such Director is requested to do so by the Committee for the express purpose of providing information concerning the related party transaction to the Committee.
6. If there is any potential conflict in any related party transaction, the Committee may recommend the creation of a special committee to review and approved the proposed related party transaction.
7. Ensuring that immediate market disclosures and disclosures in the Annual Report as required by the applicable rules/regulations are made in a timely and detailed manner.

REVIEW OF THE RELATED PARTY TRANSACTIONS DURING THE YEAR

The Committee reviewed all proposed Related Party Transactions of Asiri Surgical Hospital PLC and scrutinised such transactions to ensure that they are no less favourable to the Group than those generally available to an unaffiliated third party in a similar circumstance. The activities of the Committee have been communicated to the Board quarterly through tabling minutes of the meeting

of the Committee at Board Meetings.
Relevant disclosures have been made
to the Colombo Stock Exchange in
compliance with regulations. Details of
Related Party Transactions entered by
the Group during the above period are
disclosed in Note 32 to the Financial
Statements.

During the year 2024/25 there were no
non- recurrent or recurrent related party
transactions that exceeded the respective
thresholds mentioned in the Listing Rules
of the Colombo Stock Exchange.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The responsibilities of the Directors, in relation to the financial statements of the Company differ from the responsibilities of the Auditors, which are set out in the Report of the Auditors on page 66 to 69. The Companies Act No. 07 of 2007 stipulates that the Directors are responsible for preparing the Annual Report and the financial statements. Company law requires the Directors to prepare financial statements for each financial year, giving a true and fair view of the state of affairs of the Company at the end of the financial year, and of the Statement of Comprehensive Income of the Company and the Group for the financial year, which comply with the requirements of the Companies Act.

The Directors consider that, in preparing financial statements set out on pages 70 to 136 of the Annual Report, appropriate accounting policies have been selected and applied in a consistent manner and supported by reasonable and prudent judgments and estimates, and that all applicable accounting standards have been followed. The Directors confirm that they have justified in adopting the going concern basis in preparing the financial statements since adequate resources are available to continue operations in the foreseeable future.

The Directors are responsible for keeping proper accounting records, which disclose reasonable accuracy, at any time, the financial position of the Company and to enable them to ensure the financial statements comply with the Companies Act No. 07 of 2007 and are prepared in accordance with Sri Lanka Accounting Standard (SLFRS/ LKAS).

They are also responsible for safeguarding the assets of the Company and for taking reasonable steps for the prevention and detection of fraud and other irregularities. In this regard the Directors have instituted an effective and comprehensive system of internal control.

The Directors are required to prepare financial statements and to provide the external auditors with every opportunity to take whatever steps and undertake whatever inspections they may consider to be appropriate to enable them to give their independent audit opinion.

The Directors are of the view that they have discharged their responsibilities as set out in this statement.

COMPLIANCE REPORT

The Directors confirm that to the best of their knowledge, all taxes, duties and levies payable by the Company, all contributions, levies and taxes payable on behalf of and in respect of the employees of the Company and other known statutory dues as were due and payable by the Company as at the date of the Statement of Financial Position have been paid or, where relevant provided for, in arriving at the financial results for the year under review except as specified in Note 30 to the Financial Statements covering contingent liabilities.

ANNUAL REPORT OF THE BOARD OF DIRECTORS ON THE AFFAIRS OF THE COMPANY

DIRECTORS' REMUNERATION

Directors' remuneration in respect of the Company for the financial year ended 31 March 2025 was Rs. 3,267,473 (2024 – Rs3, 125,000/-). The remuneration of the Directors is determined by the Board.

DIRECTORS' INTERESTS IN CONTRACTS AND PROPOSED CONTRACTS WITH THE COMPANY

Directors' interests in contracts, both direct and indirect are referred to in Note 32 to the Financial Statements. The Directors have no direct or indirect interest in any other contract or proposed contract with the Company.

INTERESTS REGISTER

The Interests Register is maintained by the Company as per the Companies Act No. 07 of 2007. All Directors have disclosed their interests pursuant to Section 192(2) of the said Act.

FIT AND PROPER ASSESSMENT CRITERIA OF THE BOARD OF DIRECTORS

The Directors hereby confirm that the Directors and CEO of the Company satisfy the Fit and Proper Assessment Criteria stipulated in section 9.7 of the Listing Rule of the Colombo stock Exchange for the year.

SHAREHOLDERS' INFORMATION

The distribution of shareholders is indicated on pages 138 to 139 of the Annual Report. There were 3576 registered shareholders as at 31 March 2025 (31 March 2024– 3,565).

SHARE INFORMATION

Information on share trading is given on page 139 of the Annual Report.

INTERNAL CONTROL

The Directors are responsible for the governance of the Company including the establishment and maintenance of the Company's system of internal control. Internal control systems are designed to meet the particular needs of the organization concerned and the risk to which it is exposed and by their nature can provide reasonable, but not absolute assurance against material misstatement or loss. The Directors are satisfied that a strong control environment is prevalent within the Company and that the internal control systems referred to above are effective.

RISK MANAGEMENT

The Group's risk management objectives and policies and the exposure to risks, are set out in pages 49 and 51 of the Annual Report.

CORPORATE GOVERNANCE

The Directors have declared all material interests in contracts involving the Company and refrained from voting on matters in which they were materially interested.

The Company complied with all applicable laws and regulations in conducting its business and has not engaged in any activity contravening the relevant laws and regulations.

All endeavours have been made to ensure that shareholders in each category have been treated equitably in accordance with the original Terms of Issue.

The business is a Going Concern with supporting assumptions or qualifications as necessary, and that the Board of Directors has reviewed the Company's Corporate/ Business plans and is satisfied that the Company has adequate resources to continue its operations in the foreseeable future. Accordingly, the Financial Statements of the Company are prepared based on the Going Concern assumption.

The report on Corporate Governance is given on pages 37 to 48 of the annual Report.

DIVIDENDS

The Directors recommended that to the shareholders that the first interim dividend of LKR.0.30 per share paid on 15th October 2024

THE AUDITORS

Company's Auditors during the period under review were Messrs. Ernst & Young, Chartered Accountants.

The following payments were made to them during the year:

* Audit fees - Rs. 1,524,404

As far as the Directors are aware the Auditors do not have any relationship with the Company or any of its subsidiaries other than those disclosed above. Auditors also do not have any interest in the Company or any of the Group companies.

RELATED PARTY TRANSACTIONS

During the year 2024/2025, there were no non- recurrent or recurrent related party transactions that exceeded the respective thresholds mentioned in the Listing Rules of the Colombo Stock Exchange

GOING CONCERN

The Directors having assessed the environment within which it operates, the Board is satisfied that the Company and the Group have adequate resources to continue its operations in the foreseeable future. Therefore, the Directors have adopted the going-concern basis in preparing the financial statements.

ANNUAL GENERAL MEETING

The 25th Annual General Meeting of the Company will be held on Thursday the 18th December 2025 at 10.15 am. The Notice of the Annual General Meeting is on page 142 of the Annual Report.

Colombo

REPORT OF SENIOR INDEPENDENT DIRECTOR

This report is presented in compliance with the requirement set out in Section 9.6.3 (e) of the revised Listing Rules on Corporate Governance of the Colombo Stock Exchange which came into effect on 01st October 2023. The requirement of appointing a "Senior Independent Director" (SID) to Asiri Surgical Hospital PLC is in accordance with Section 9.6.3 (a) ii of the revised Listing Rules on Corporate Governance of the Colombo Stock Exchange.

ROLE AND RESPONSIBILITIES OF SENIOR INDEPENDENT DIRECTOR

In terms of the role and responsibilities of the SID, the principal role of the SID is to support the Chairman in his role and duties, acting as an intermediary for the Non-Executive Directors and to facilitate the due exercise of the functions of the Chairman with the Non-Executive Directors as and when necessary.

The role and the responsibilities vested on the SID of the Board is relevant in the current context of Corporate Governance regulations, standards, and best practices which are frequently reviewed and revised by regulators. My role is to ensure requisite governance standards are complied with while providing necessary assistance to the Chairman of the Board through discussion and communication between Non-executive and Independent Directors of the Company in addressing matters relevant to the Board as a whole to enhance the overall effectiveness of the Board.

Serving as the Senior Independent Director has been a privilege, as it has allowed me to ensure sharing collective opinions of independent directors with Chairman relating to key decisions and actions taken by the board of Directors. I believe it is crucial for maintaining transparency of our governance processes.

IMPLEMENTATION ACTIVITIES

During my tenure, I presided over the meeting of the Non-Executive Directors, where the Directors expressed their satisfaction with the Company's governance practices and commended the overall leadership demonstrated by the Board.

Additionally, I convened a meeting with the Independent Directors, during which we engaged in candid discussions on various matters concerning the Company and the operation of the Board. The Independent Directors acknowledged the commendable performance of the Company, noting that governance standards were well maintained, while also identifying specific areas for improvement.

In my capacity as Senior Independent Director, I ensured that the outcomes of these meetings, together with any recommendations, were promptly and effectively communicated to the Chairman and other Board members.

In the upcoming year, I will oversee and chair meetings of Independent Non-Executive Directors, ensuring that their perspectives are communicated effectively to the Chairperson and the Board. I remain committed to enhancing the governance framework and contributing to the sustainable growth of the Company.

Mr. M.I. Furkan

Senior Independent Director

Report on the audit of the financial statements

OPINION

We have audited the financial statements of Asiri Surgical Hospital PLC ("the Company") and the consolidated financial statements of the Company and its subsidiaries ("the Group"), which comprise the statement of financial position as at 31 March 2025 and the statement of profit or loss, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements of the Company and the Group give a true and fair view of the financial position of the Company and the Group as at 31 March 2025, and of their financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

BASIS FOR OPINION

We conducted our audit in accordance with Sri Lanka Auditing Standards ("SLAuSs"). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Group in accordance with the Code of Ethics

for Professional Accountants issued by CA Sri Lanka ("Code of Ethics") and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Key audit matter	How our audit addressed the key audit matter
ASSESSMENT OF IMPAIRMENT OF RELATED PARTY RECEIVABLES As of the reporting date, amounts outstanding from related parties, net of provisions for impairment, amounted to Rs. 1,365,150,335, Rs.1,178,364,488 as disclosed in Notes 19 and 20 to the financial statements. During the year, management re-evaluated recoverability of these balances and made adjustments to the carrying amounts for current and prior years, as more fully described in Note 34 to the financial statements. This was a key audit matter due to: - Materiality of the reported balances and related impairment provisions. Outstanding amounts from related parties represented 18% of total assets of the Group as at 31 March 2025. - the degree of management judgements and assumptions associated in assessing recoverability such as discount rate applied, as disclosed in Note 19 to the financial statements. - Adjustments made to the current and prior year carrying amounts, as described in Note 34 to the financial statements.	Our audit procedures included the following key procedures: - Read agreements and other supporting information and understood the key terms and conditions related to amounts outstanding from related parties. - Obtained direct confirmations from related parties for outstanding amounts as of the reporting date. - Understood the process used by the management to assess impairment of amounts outstanding from related parties. - Obtained management's assessment of future cash flows and repayment plans and evaluated the reasonableness of the judgements and assumptions used by the management. - Tested the calculations and underlying data of the provisions for impairment. We also, assessed the adequacy of the disclosures made in Notes 19,20,34 to the financial statements.
REVENUE The Group derives its revenue of Rs. 7,182,101,294 by providing healthcare services as disclosed in Notes 2.3.15 and 3 to the financial statements Revenue was a key audit matter due to: - Materiality of the reported revenues coupled with the increase of 8% in revenue recorded by the Group during the year. - Complexity of revenue recognition due to involvement of multiple divisions to provide medical services.	Our audit procedures included the following key procedures: - Tested the relevant key controls over revenue. Our procedures included testing the general IT control environment and the relevant key IT application controls relating to the most significant IT systems relevant to revenue. - Performed appropriate analytical procedures to understand and assess the reasonableness of the reported revenues. - Tested revenue transactions and the appropriateness of revenue recognized during the year and particularly towards the year end, by reviewing the sales invoices and relevant supporting documents. We also, assessed the adequacy of the disclosures made in Notes 2.3.15 and 3 to the financial statements.

INDEPENDENT AUDITOR'S REPORT

Other Information included in the 2025 Annual Report

Other information consists of the information included in the Annual Report, other than the financial statements and our auditor's report thereon. Management is responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the management and those charged with governance for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's and the Group's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SLAuSs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of the Company and the Group.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by section 163 (2) of the Companies Act No. 07 of 2007, we have obtained all the information and explanations that were required for the audit and, as far as appears from our examination, proper accounting records have been kept by the Company.

CA Sri Lanka membership number of the engagement partner responsible for signing this independent auditor's report is 4839.

The Accounting policies Notes on pages 76 to 136 form an integral part of these Financial Statements.

NOTES TO THE FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

1.1 General

Asiri Surgical Hospital PLC ("Company") is a public limited liability Company, incorporated and domiciled in Sri Lanka and listed on the Colombo Stock Exchange. The registered office and principal place of business is located at No. 21, Kirimandala Mawatha, Colombo 5.

1.2 Principal Activities and Nature of Operations

During the year, principal activities of the Company were to operate a two-tier hospital and provide healthcare services.

1.3 Parent Enterprise and Ultimate Parent Enterprise

The Company's immediate parent undertaking is Asiri Hospital Holdings PLC.

In the opinion of the Directors, Softlogic Holdings PLC is the ultimate parent undertaking and controlling party of the Company.

1.4 Date of Authorization for Issue

The Consolidated Financial Statements of Asiri Surgical Hospital PLC for the year ended 31 March 2025 was authorized for issue in accordance with a resolution of the Board of Directors on 25 November 2025.

1.5 Statement of Compliance

The Financial Statements which comprise the Statement of Financial Position, Statement of Profit or Loss, Statement of Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows, together with the accounting policies and notes (the "Financial Statements") have been prepared in accordance with Sri Lanka Accounting Standards (SLFRSs/LKASs) as issued by the Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka) and the requirement of the Companies Act, No. 07 of 2007.

2. BASIS OF PREPARATION AND OTHER SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation

The Consolidated Financial Statements have been prepared on an accrual basis and under the historical cost convention except for buildings on lease hold land, investment properties, fair valued through other comprehensive income financial assets, which have been measured at fair value.

Materiality and Aggregation

Each material class of similar items is presented cumulatively in the Financial Statements. Items of dissimilar nature or function are presented separately unless they are immaterial as permitted by the Sri Lanka Accounting Standard - LKAS 1 'Presentation of Financial Statements'.

Going Concern

The Management has made an assessment of the Group's ability to continue as a going concern and is satisfied that it has the resources to continue in business for the foreseeable future.

Based on available information, the management has assessed prevailing macroeconomic conditions and its effect on the Group companies in determining the going concern basis for preparation of the financial statements.

The Group valued its resilience considering factors such as expected revenue streams, cost management, profitability, and due to the nature of healthcare operations, the Board of Directors is satisfied and confident that the Group will be able to continue in operation for the foreseeable future. In addition, the directors are not aware of any material uncertainties that may cast significant doubt upon the Group's ability to continue as a going concern. Accordingly, these Financial Statements have been prepared on a going concern basis.

Presentation of Functional Currency

The Consolidated Financial Statements are presented in Sri Lankan Rupees (Rs.) the Company's functional and presentation currency, which is the currency of the primary economic environment in which the Company operates.

Comparative Information

The presentation and classification of the Financial Statements of the previous years have been amended, where relevant for better presentation and to be comparable with the statements of the current year except for the note 33 to the financial statements.

2.1.1 Basis of Consolidation

The Consolidated Financial Statements of Asiri Surgical Hospital PLC and its subsidiary (referred to as the 'Group') comprise the Financial Statements of the Group as at 31 March 2025.

Subsidiaries are disclosed in note 12 to the Financial Statements

Subsidiaries are those entities controlled by the Group. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if, and only if, the Group has:

1. Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee)
2. Exposure, or rights, to variable returns from its involvement with the investee
3. The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

1. The contractual arrangement with the other vote holders of the investee
2. Rights arising from other contractual arrangements; and
3. The Group's voting rights and potential voting rights

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting

policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction in a separate component of equity i.e. Other Reserve.

If the Group loses control over a subsidiary, it derecognises the related assets liabilities, non-controlling interest and other components of equity while any resultant gain or loss is recognised in Income Statement. Any investment retained is recognised at fair value.

The Financial Statements for the year ended 31 March 2025 of the following subsidiary company included in the Consolidated Financial Statements.

Company	Effective Holding 2025	Effective Holding 2024	Principal Activities
1. Asiri AOI Cancer Centre (Pvt) Ltd	50.00%	50.00%	The principal activities of the Company are to carry out cancer treatment services.

The Group management re-assessed the control and operating structure of A.O.I., following which it was determined a subsidiary of Asiri Surgical Hospital PLC group (with 50% direct shareholding) effective 01 April 2020.

Summary of Significant Accounting Policies

A summary of significant accounting policies has been disclosed along with relevant individual notes in the subsequent pages.

The accounting policies presented with each note, have been applied consistently by the Company.

Current Versus Non-Current Classification

The Group presents assets and liabilities in the statement of Financial Position based on a current/ non-current classification.

NOTES TO THE FINANCIAL STATEMENTS

An asset is current when it is:

Expected to be realised or intended to be sold or consumed in the normal operating cycle,

Held primarily for the purpose of trading,

Expected to be realised within twelve months from the reporting date, or

A cash or cash equivalent unless restricted from exchange or use to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non-current.

A liability is current when it is:

Expected to be settled in the normal operating cycle,

Incurred primarily for the purpose of trading,

Due to be settled within twelve months after the reporting date, and

Not affected by any unconditional right to defer settlement for at least twelve months after the reporting date.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Foreign Currency Translation

The Consolidated Financial Statements are presented in Sri Lankan Rupees, which is the Group's functional and presentation currency.

Transactions in foreign currencies are initially recorded by the Group at the functional currency spot rate ruling at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rate of exchange ruling at the reporting date.

Differences arising on settlement or translation of monetary items are recognised in Income Statement.

2.2 Summary of Significant Accounting Judgments, Estimates and Assumptions

In preparing these Financial Statements of the Group, the management has made judgements, estimates and assumptions that affect the application of Group's accounting policies and the reported amounts of assets, liabilities, income, expenses and its disclosure of contingent liabilities. Judgements and estimates are based on historical experience and other factors, including expectations that are believed to be reasonable under the circumstances. Hence, actual results may differ from these judgements and estimates. Estimates and underlying assumptions are reviewed on an ongoing basis and revisions to accounting estimates are recognised prospectively.

The management considered the following items, where significant judgements, estimates and assumptions have been used in preparing these Consolidated Financial Statements.

(a) Fair Value of Property, Plant and Equipment

The Group measures buildings on lease hold land at revalued amounts with changes in fair value being recognized in other comprehensive income. The Group engaged an independent valuation specialist to assess fair value of such assets as at 31 March 2025. Refer Note 9.5 to these financial statements for Significant unobservable valuation input.

(b) Fair Value of Investment Property

The Group measures building which is recognised as investment property at fair value amount with change in value being the open market approach in determining the fair value of the building. Further details on fair value of investment property are disclosed in Note 11 to the financial statements.

(c) Taxes

Significant judgement was required to determine the total provision for current and deferred taxes due to uncertainties that exist with respect to the interpretation of the applicability of tax law at the time of the preparation of these financial statements.

Further, judgement has been exercised in relation to the income tax exemption under the agreement entered into between Asiri Surgical Hospital PLC and the Board of Investment, as disclosed in Note 28.

(d) Post-Employment Benefit Plan

The cost of the post-employment benefit plan of employees is determined using an actuarial valuation. The actuarial valuation is based on assumptions concerning the rate of interest, rate of salary increases, staff turnover, and retirement age and going concern of the Company. Due to the long-term nature of the plan, such estimates are subject to significant uncertainty. (Refer Note 25 to these Financial Statements)

(e) Provision for Expected Credit Losses of Financial Assets

The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. (Refer Note 18.2)

(f) Useful lives and residual values of property, plant and equipment

The Group reviews the estimated residual values and expected useful lives of property, plant and equipment at least annually. In particular, it considers the impact of health, safety and environmental legislation in its assessment of expected useful lives and estimated residual values. Useful life of assets are disclosed in Note 9.8

(g) Fair value measurement of Investment in subsidiary

When the fair values of financial assets recorded in the statement of financial position cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. (Refer note number 12)

(h) Right of Use Assets

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its Incremental

Borrowing Rate (IBR) to measure lease liabilities. The Group estimates the IBR using observable inputs (such as market interest rates) when available and is required to make certain entity-specific estimates. . (Refer Note 10)

(i) Provision for impairment related to loans granted to related parties, other receivables from related parties and trade receivables

The expected recoverable amounts have been estimated using the forecasted cash flows from repayments provided by management, discounted to present value using the entity's weighted average cost of capital (WACC) as the discount rate. The estimation process involves judgment in forecasting the timing and amount of future cash flows and in determining the appropriate discount rate reflective of current market conditions and specific credit risk characteristics. (Refer Note 19.4).

2.3 Summary of Significant Accounting Policies Applied

The following are the significant accounting policies applied by the Group in preparing its Consolidated Financial Statements:

2.3.1 Business Combination and Goodwill

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets.

Transaction costs, other than those associated with the issue of debt or equity securities that the Group incurs in connection with a business combination are expensed and included in administrative expenses.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss recognised in Income Statement.

NOTES TO THE FINANCIAL STATEMENTS

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Contingent consideration classified as equity is not re-measured and its subsequent settlement is accounted for within equity. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of SLFRS 9 Financial Instruments, is measured at fair value with the changes in fair value recognised in the Income Statement in accordance with SLFRS 9. Other contingent consideration that is not within the scope of SLFRS 9 is measured at fair value at each reporting date with changes in fair value recognised in the Income Statement.

The Company has recognized the Investment in Joint venture Asiri AOI Cancer Centre (Pvt) Ltd as a subsidiary and the existing investment which is measured under equity method is recognized as the investment value of the acquire.

2.3.2 Fair Value Measurement

Fair value related disclosures for non-financial assets and financial instruments that are measured at fair value or where fair values are disclosed are summarised in Note 9.5, 11, 12, 13 and 16 to the financial statements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Financial Statements are categorised within the fair value hierarchy, described as follows,

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Financial Statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The management determines the policies and procedures for both recurring fair value measurement and for non-recurring measurement.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.3.3 Property, Plant and Equipment

Property, plant and equipment are initially stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing parts of the property, plant and equipment if the recognition criteria are met. When significant parts of property, plant and equipment are required to be replaced at intervals, the Group recognises such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the Income Statement as incurred.

Building on leasehold land are subsequently measured at fair value at the date of revaluation, less accumulated depreciation and accumulated impairment on buildings subsequent to the date of revaluation. Valuations are performed with sufficient frequency to ensure that the fair value of a revalued asset does not differ materially from its carrying amount.

Depreciation is calculated on a straight-line basis over the useful life of assets or components. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

A revaluation surplus is recognised in other comprehensive income and credited to the revaluation surplus in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognised in the Income Statement, the increase is recognised in the Income Statement. A revaluation deficit is recognised in the Income Statement, except to the extent that it offsets an existing surplus on the same asset recognised in the asset revaluation reserve. Upon disposal, any revaluation reserve relating to the particular asset being sold is transferred to retained earnings.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognizing of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Income Statement in the year the asset is derecognised.

2.3.4 Investment Properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at fair value, which reflects market conditions at the reporting date. Gains or losses arising from changes in the fair values of investment properties are included in Income Statement in the period in which they arise, including the corresponding tax effect. Fair values are determined based on an annual valuation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

Investment properties are derecognised either when they have been disposed of (i.e., at the date the recipient obtains control) or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal.

Transfers are made to (or from) investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the fair value at the date of change in use. If owner-occupied property becomes an investment property, the Group accounts for such property in accordance with the policy stated under property, plant and equipment up to the date of change in use.

2.3.5 Right of Use Assets and Lease Liabilities

Estimating the Incremental Borrowing Rate

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The IBR therefore reflects what the Group 'would have to pay', which requires estimation when no observable rates are available or when they need to be adjusted to reflect the terms and conditions of the lease. The Group estimates the IBR using observable inputs (such as market interest rates) when available and is required to make certain entity-specific estimates.

Right of Use Assets

The Group recognises right of use assets when the underlying asset is available for use. Right of use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Unless the Group is reasonably certain to obtain ownership of the leased asset at the end of the lease term, the recognised right of use assets are depreciated on a straight-line basis over the shorter of its estimated useful life or the lease term. Right of use assets are subject to impairment.

NOTES TO THE FINANCIAL STATEMENTS

Lease Liability

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. In calculating the present value of lease payments, the Group uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the in-substance fixed lease payments or a change in the assessment to purchase the underlying asset.

Short-Term Leases and Leases of Low-Value Assets

The Group applies the short-term lease recognition exemption to leases that have a lease term of 12 months or less from the commencement date. It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in the Income Statement due to its operating nature. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as in the period in which they are earned.

2.3.6 Borrowing Costs

Borrowing Costs are recognised as an expense in the period in which they are incurred except borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective assets.

2.3.7 Financial Instruments - Initial Recognition and Subsequent Measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Financial Assets

Initial Recognition and Measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortized cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under SLFRS 15. Refer to the accounting policies in section 2.3.15 Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognized on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

Financial assets at amortised cost (debt instruments)

Financial assets at fair value through OCI with recycling of cumulative gains and losses (debt instruments)

Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon de-recognition (equity instruments)

Financial assets at fair value through profit or loss

However, the classification of the financial assets of the Group are limited to financial assets at amortised cost (debt instruments) and financial assets designated at FVOCI (equity instruments).

Financial Assets at Amortised Cost (Debt Instruments)

This category is the most relevant to the Group. The Group measures financial assets at amortised cost if both of the following conditions are met:

The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and

The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortised cost are subsequently measured using the Effective Interest Rate (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is de-recognised, modified or impaired.

The Group's financial assets at amortised cost includes trade and other receivables, cash and bank and loans granted to related parties.

Financial Assets Designated at Fair Value through OCI (Equity Instruments)

Upon initial recognition, the Group can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under LKAS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as Finance income in the Income Statement when the right of payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

The Group elected to classify irrevocably its listed equity investments under this category.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Group's statement of financial position) when:

The rights to receive cash flows from the asset have expired,

Or

The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

Impairment of Financial Assets

The Group recognises an allowance for Expected Credit Losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase

NOTES TO THE FINANCIAL STATEMENTS

in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables and contract assets, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Group considers a financial asset in default when contractual payments are 365 days past due. However, in certain cases, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Further disclosures relating to impairment of financial assets are also provided in the following notes:

Trade receivables Note 18 to the financial statement

ii) Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, bank overdrafts, loans and borrowings, financial guarantees contracts, and other financial liabilities.

Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and Borrowings

This is the category most relevant to the Group. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Income Statement when the liabilities are derecognised as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Income Statement.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently, the liability is measured at the higher of the best estimate of the expenditure required to settle the present obligation at the reporting date and the amount recognised less cumulative amortisation.

Derecognition

Financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Income Statement.

2.3.8 Equity Accounted Investees

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Group's investment in joint venture is accounted for using the equity method till 31 March 2020. The group management re-assessed the control and operating structure of AOI, following which they determined that AOI as a subsidiary of the Asiri Surgical Hospital PLC with effect from 1 April 2020 and accounted as a subsidiary of Asiri Surgical Hospital PLC Group with 50% direct shareholdings.

2.3.9 Inventories

Inventories are valued at the lower of cost and net realisable value, after making due allowances for obsolete and slow-moving items. Net realisable value is the price at which inventories can be sold in the ordinary course of business less the estimated cost of completion and the estimated cost necessary to make the sale.

The cost incurred in bringing inventories to its present location and conditions are accounted for using the first-in first-out basis.

2.3.9.1 Contract Assets

Contract assets are Group's right to consideration in exchange for goods or services that the Group has transferred to a customer, with rights that are conditioned on some criteria other than the passage of time. Upon satisfaction of the conditions, the amounts recognised as contract assets are reclassified to trade receivables. Contract assets of the Group have been disclosed in trade and other receivable Note 18 to the financial statements.

2.3.10 Impairment of Non-Financial Assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is higher of asset's fair value less costs to sell and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

2.3.11 Cash and Cash Equivalents

Cash and Cash Equivalents are defined as cash in hand, demand deposits and short-term highly liquid investments, readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of the above net of outstanding bank overdrafts. Investments with short maturities (i.e. three months or less from the date of acquisition) are also treated as Cash and Cash Equivalents.

2.3.12 Provisions

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Group expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the Income Statement net of any reimbursement.

2.3.13 Post-Employment Benefits

a. Defined Benefit Plan – Gratuity

The Group measures the present value of the promised retirement benefits of gratuity which is a defined benefit plan with the advice of an independent professional actuary at the end of every financial year using the Projected Unit Credit Method (PUC) as recommended by LKAS 19 – "Employee benefits". Accordingly, the employee benefit liability is based on the actuarial valuation carried out by Messrs Actuarial and Management Consultants (Pvt) Ltd., Actuaries. The actuarial valuation involves making assumptions about discount rate, future salary increases rate and mortality rates etc. All assumptions are reviewed at each reporting date.

Provision has been made for retirement gratuities from the beginning of service for all employees, in conformity with LKAS 19 on employee benefit. However, under the Payment of Gratuity Act No. 12 of 1983, the liability to an employee arises only on completion of 5 years of continued service.

NOTES TO THE FINANCIAL STATEMENTS

The Group's accounting policy for defined benefit plans is to recognise actuarial gains and losses in the period in which they occur in full in Statement of Other Comprehensive Income.

The Group is liable to pay gratuity in terms of the relevant statute.

The Gratuity liability is not externally funded.

b. Defined Contribution Plans

Employees' Provident Fund and Employee' Trust Fund

Employees are eligible for Employees' Provident Fund and Employee' Trust Fund contributions, in line with respective statute and regulations. The Group contributes 12% and 3% of gross remuneration of employees towards Employees' Provident Fund and Employee' Trust Fund respectively.

2.3.13.1 Contract Liabilities

Contract liabilities are Group's obligation to transfer goods or services to a customer for which the Group has received consideration (or the amount is due) from the customer. Contract liabilities include long-term advances received to deliver goods and services, short-term advances received to render certain services.

2.3.14 Dividend Payable

The Group recognises a liability to pay a dividend when the distribution is authorised and the distribution is no longer at the discretion of the Company. A corresponding amount is recognised directly in equity.

2.3.15 Revenue

The Group is in the business of providing healthcare services and sale of pharmaceuticals. Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those services or goods.

The Group recognized the revenue based on SLFRS 15, applies to all contracts with customers to provide goods and services in the ordinary course of business. The Company adopts principle based five steps model for revenue recognition.

Accordingly, revenue is recognised only when all of the following criteria are met:

The parties to the contract have approved the contract/s;

The Group can identify each party's rights regarding goods or services to be transferred;

The Group can identify the payment term for the goods or services to be transferred;

The contract has commercial substance;

It is probable that the Group will collect the consideration to which it will be entitled in exchange for goods or services that will be transferred to the customer.

Under SLFRS 15, the Group determines at contract inception whether it satisfies the performance obligation over time or at a point in time. For each performance obligation satisfied overtime, the Group recognises the revenue over time by measuring the progress towards complete satisfaction of that performance obligation.

Revenue from sale of pharmaceutical items are recognised at the point in time when control of the asset is transferred to the customer.

Revenue from outpatients are recognised at the point in time when services are rendered.

Revenue from inpatients are recognised over time by measuring the progress towards complete satisfaction of that performance obligation.

The Group assesses its revenue arrangements against specific criteria in order to determine if it is acting as principle or agent. The Group has concluded that the service revenues are presented net of doctor fees in cases where the Group is not the primary obligor and does not have the pricing latitude.

2.3.16 Other Income

Other income is recognised in the Income Statement as it accrues.

2.3.17 Dividend Income

Dividend income is recognised when the Group's right to receive the payment is established.

2.3.18 Finance Income

Finance income comprises interest income on funds invested, dividend income and Guarantee fee income. Interest income is recorded as it accrues using the Effective Interest Rate (EIR), which is the rate that exactly discounts the estimated future cash receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset or liability. Interest income is included under finance income in the income statement. Guarantee fee earned for the provision of guarantee over a period are accrued over that period.

2.3.19 Finance Expense

Finance costs comprise interest expense on borrowings and guarantee cost.

Interest expense is recorded as it accrues using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial liability.

2.3.20 Expenditure

Expenses are recognised in the income statement on the basis of a direct association between the cost incurred and the earning of specific items of income. All expenditure incurred in the running of the business and in maintaining the property, plant and equipment in a state of efficiency has been charged to the income statement.

For the purpose of presentation of the income statement, the "function of expenses" method has been adopted, on the basis that it presents fairly the elements of the Group performance.

2.3.21 Taxation

Current tax

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those

that are enacted or substantively enacted at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised directly in equity is recognised in equity and for items recognised in other comprehensive income is recognised in other comprehensive income and not in the income statement.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Taxation

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set-off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.3.22 Earnings Per Share (EPS)

Basic EPS is calculated by dividing the profit for the year attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares outstanding during the year.

2.3.23 Segment Reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components. All operating segments' operating results are reviewed regularly by the Senior Management Committee to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

2.4 STANDARDS ISSUED BUT NOT YET EFFECTIVE

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Group's financial statements are disclosed below. The Group intends to adopt these new and amended standards and interpretations, if applicable, when they become effective.

2.5 Standards Issued But Not Yet Effective

Effect of Sri Lanka Accounting Standards Issued But Not Yet Effective:

The following Sri Lanka Accounting Standards and interpretations have been issued by the Institute of Chartered Accountants of Sri Lanka which are not yet effective as at 31st March 2025.

- Lack of Exchangeability – Amendments to LKAS 21. The Group will not be significantly affected by these amendments as at the reporting date. Further, the amended standards and interpretations are not expected to have a significant impact on Group's Financial Statements.

3. REVENUE AND OTHER INCOME

3.1 Revenue

	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Healthcare Services	6,938,569,032	6,376,024,568	6,204,475,571	5,739,330,596
Sales of Goods	249,865,468	248,911,751	249,865,468	248,911,751

	7,182,101,294	6,619,745,016	6,448,457,858	5,983,068,293

3.2 Segment Information

The Senior Management Committee is the Chief Operating Decision Maker (CODM) and monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on revenue generated and is measured consistently with revenue in the financial statements.

The Company has identified the following segments based on the information provided to CODM for the purpose of making decisions about resource allocation and performance assessment.

- Pre care which include OPD revenue, channelling revenue and OPD lab investigation services
- Post care which include all IPD revenue including inpatient drugs and lab investigation
- Pharmaceutical which includes OPD pharmacy revenue

The following table presents the revenue generated by the Company's segments for the year ended 31 March 2025 and comparative figures for the year ended 31 March 2024.

	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Pre care	2,744,279,629	2,571,914,792	2,010,636,193	1,935,238,069
Post Care	4,187,956,197	3,798,918,473	4,187,956,197	3,798,918,473
Pharmaceutical	249,865,468	248,911,751	249,865,468	248,911,751
	7,182,101,294	6,619,745,015	6,448,457,858	5,983,068,293

3.3 Timing of Revenue Recognition

	GROUP		COMPANY

* Refer Prior year adjustment Note

8. EARNINGS PER SHARE

Basic Earnings Per Share is calculated by dividing the net profit for the year attributable to ordinary shareholders by the weighted average number of ordinary shares outstanding during the year. The weighted average number of ordinary shares outstanding during the year and the previous year are adjusted for events that have changed the number of ordinary shares outstanding, without a corresponding change in the resources such as a bonus issue.

The following reflects the income and share data used in the Basic/Diluted Earnings Per Share computations.

	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Profit / (Loss) for the Year	265,665,080	31,550,552	193,496,340	(143,942,132)
Weighted Average Number of Ordinary Shares in Issue	528,457,545	528,457,545	528,457,545	528,457,545
Basic Earnings Per Share - Continuing Operations (Rs.)	0.50	0.06	0.37	(0.27)

Number of Ordinary Shares used as the Denominator	2025 Number	2024 Number
Weighted Average number of Ordinary Shares in Issue Applicable to Basic/Diluted Earnings Per Share	528,457,545	528,457,545

9.4 During the year, the Group acquired Property, Plant and Equipment to the aggregate value of Rs. 312,411,077.12 (2024 - Rs. 146,855,285). Cash payments amounting to Rs. 312,411,077.12 (2024 -Rs. 146,855,285) were made during the year, for purchase of Property, Plant and Equipment.

During the year, the Company acquired Property, Plant and Equipment to the aggregate value of Rs. 306,031,117 (2024 - Rs. 135,144,029). Cash payments amounting to Rs 306,031,117 (2024 -Rs. 135,144,029) were made during the year, for purchase of Property, Plant and Equipment.

9.5 The following properties are fair valued and recorded under buildings. Fair Value measurement disclosure for revalued building based on un-observable inputs are as follows,

Location	Extent	Independent Valuer	Effective Date of Valuation	Method of Valuation	Estimated Price Per Square Feet		Range of Significant unobservable input (Rate of Return)		Fair Value
					Building Value Per Square Feet				
					2025	2024	2025	2024	
No 21, Kirimandala Mawatha, Narahenpita	386,187 Sq. ft	S. Sivaskantha	31 March 2025	IA*	Rs. 11,000/- to Rs. 22,000/-	Rs. 10,000/- to Rs. 20,000/-	7.50%	7.50%	4,116,038,500/-
No 21 and 23, Kirimandala Mawatha, Narahenpita	6,710 Sq. ft	S. Sivaskantha	31 March 2025	IA*	Rs. 275/- to Rs. 610/-	Rs. 275/- to Rs. 600/-	8.00%	8.00%	226,400,000/-

* Income approach (IA) - The income approach is used to value properties which are let to produce an income for the investor. Conventionally, investment value is a product of rent and yield. Each of these elements is derived using comparison techniques.

The Investment property of the Company identified as Property Plant and Equipment in the Group Financials. Refer Note 11.1.

The surplus arising from the revaluation net of deferred tax is recognized in the Other Comprehensive Income and transferred to Revaluation Reserve in Equity.

9.6 Valuation Process of the Group

The Group/Company usually engage an external Independent and qualified valuer to determination the fair value of Land and Building. When significant changes in Fair values are expected between two valuations , that necessitates a more regular basis of valuation adopted. The last revaluation were carried out with an effective of 31 March 2025.

Professional Valuer: S.Sivaskantha B.SC Mgt. & Val. (Sri Lanka)

Diploma In Valuation (Sri Lanka), F.I.V Chartered Valuer

9.7 Sensitivity

Entity	Valuation Technique	Significant Unobservable Input	Sensitivity of the input to fair value
Asiri Surgical Hospital PLC	Income Approach	Rate of Return -7.5%	0.5% increase/(decrease) in the rate of return would result in (decrease)/increase in fair value by Rs (257) Mn and Rs 294 Mn respectively
Asiri AOI Cancer Center (Pvt) Ltd	Income Approach	Rate of Return -8%	0.5% increase/(decrease) in the rate of return would result in (decrease)/increase in fair value by Rs (10) Mn and Rs 12 Mn respectively

9.8 Depreciation

The provision for depreciation is calculated by using a straight line method on the cost / revalued amount of all Property, Plant and Equipment in order to write off such amounts over the following estimated useful lives by equal instalments.

	2024/2025
Buildings on Leasehold Land	Over 60 Years
Medical Equipment	
Medical Equipment	Over 10 Years
Short life Assets	Over 2-3 Years
Furniture and Fittings	Over 10 Years
Motor Vehicles	Over 5-8 Years
Sundry Equipment	
Computer and Office Equipment	Over 4-5 Years
Other	Over 10 Years

- 9.9 Company's property, plant and equipment with a cost of Rs. 1,693 Mn (2024 - Rs. 1,466 Mn) have been fully depreciated and Group's property, plant and equipment with a cost of Rs. 1,776 Mn (2024 - Rs. 1,547 Mn) have been fully depreciated and continue to be in use by the company.

NOTES TO THE FINANCIAL STATEMENTS

- 9.10** The carrying amount of revalued assets that would have been included in the Financial Statements had the assets been carried at cost less depreciation is as follows;

Class of Asset	Cost Rs.	Cumulative Depreciation If assets were carried at cost Rs.	Net Carrying Amount 2025 Rs.	Net Carrying Amount 2024 Rs.
Building on Leasehold Land	1,266,490,868	382,825,430	883,665,438	904,773,619

Balance at the End of the Year	1,881,194,729	1,473,816,500

12.1 Accounting judgements, estimates and assumptions

The Company measures the investment in subsidiaries at fair value at each balance sheet date using Discounted Cash Flow methodology (DCF) and Net Assets methodology.

Changes in fair value of quoted and unquoted investment in subsidiaries are recognised in the Statement of Other Comprehensive Income statement. The management has used either Discounted Cash Flow Methodology (DCF) or Net Assets Methodology approach in determining the fair value of each entity. Further details on fair value of quoted and unquoted investments are disclosed in the below note.

Investment made in	Valuation methodology used	Terminal Growth Significant Unobservable Inputs			Discount Rate Significant Unobservable Inputs		
		2025	2024	2023	2025	2024	2023
Asiri AOI Cancer Centre (Pvt) Ltd	DCF based on the proportionate fair valuation of assets and liabilities of Asiri AOI Cancer Centre (Pvt) Ltd.	4.00%	4.00%	4.00%	13.85%	16.34%	26.03%

12.2 Sensitivity Analysis

The following table illustrates the sensitivity of the aggregate fair value to reasonably possible changes in the terminal growth rate and the weighted average cost of capital, assuming all other variables remain constant.

Entity	Significant unobservable Input	
Asiri AOI Cancer Center (Pvt) Ltd	Terminal Growth Rate 4%	1% increase/(decrease) in the growth rate would result in increase/(decrease) in fair value by LKR 174 Mn and (LKR 142 Mn) respectively.
	Weighted Average Cost of Capital (WACC) 13.85%	1% increase/(decrease) in the WACC rate would result in (decrease)/increase in fair value by (LKR 315 Mn) and LKR 387 Mn respectively.

12.3 Material Partly-owned Subsidiaries

Financial information of subsidiaries that have material non-controlling interests is provided below :

Proportion of equity Interest held by Non-Controlling Interest :

Financial Assets at FVOCI :

Company Name	No of shares	Holding %	2025 Rs.	2024 Rs.
Asiri AOI Cancer Centre (Pvt) Ltd	2,700,000	50%	1,881,194,729	1,473,816,500

Summarised Statement of Total Comprehensive Income for year ended 31 March :

	2025 Rs.	2024 Rs.
Revenue	733,643,436	636,676,724
Cost of Services	(304,654,499)	(290,479,030)
Profit for the Year	230,151,506	199,925,617
Total Comprehensive Income for the Year	230,146,435	199,804,490
Attributable to Non-Controlling Interests	115,073,217	99,902,245

Summarised Statement of Financial position as at 31 March:

Cash in Hand and at Bank	336,399,603	461,068,591	57,999,515	229,353,147
Carrying value of Financial Assets	8,191,749,566	7,054,296,827	9,795,994,411	8,297,350,069
Fair Value of Financial Assets	8,191,749,566	7,054,296,827	9,795,994,411	8,297,350,069

15.2 Financial Liabilities

	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Financial Liabilities at Amortised Cost				
Lease Liability	31,006,891	713,957	31,006,891	713,957
Interest Bearing Loans and Borrowings	2,400,328,286	2,742,215,967	2,400,328,286	2,724,715,967
Loan Due to Related Party	-	-	471,700,000	322,328,844
Trade Payables	1,751,807,555	856,146,508	1,744,186,811	869,431,440
Dividend Payable	14,401,722	12,874,210	14,401,722	12,874,210
Bank Overdraft	474,749,856	523,609,342	474,749,856	523,609,342
Carrying value of Financial Liabilities	4,672,294,311	4,135,559,984	5,136,373,566	4,453,673,760
Fair Value of Financial Liabilities	4,672,294,311	4,135,559,984	5,136,373,566	4,453,673,760

The management assessed that, cash in hand and at bank, loans granted to related parties, trade and other receivables and trade and other payables approximate to their fair value largely due to the short-term maturities of these instruments. The fair value of financial assets at amortised cost and financial liabilities does not significantly vary from the value based on the amortised cost methodology for the Company. Lease liability and interest bearing loans and borrowings are estimated by discounting future cash flows using rates currently available for debts on similar terms, credit risk and remaining maturities.

16. FAIR VALUE HIERARCHY

The Company uses the following hierarchy for determining and disclosing the fair value of assets by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2 : Other techniques for which all inputs that have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3 : Techniques that use inputs that have a significant effect on the recorded fair value that are not based on observable market data

Group	Note	31 March 2025 Rs.	Level 1 Rs.	Level 2 Rs.	Level 3 Rs.

	546,773,905	459,369,550	621,048,179	502,082,970

Outstanding balances as at the year end are unsecured and settlement occurs in cash.

18.2 Impairment Provision on trade receivables

	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Balance at the Beginning of the Year	5,268,324	4,517,130	5,268,324	4,517,130
Impairment loss allowance recognized in Profit or Loss During the Year	62,066,491	751,195	62,066,491	751,195
Balance at the End of the Year	67,334,815	5,268,324	67,334,815	5,268,324

An impairment analysis is performed at each reporting date using a provision matrix to measure expected credit losses. The provision rates are based on days past due for groupings of various customer segments with similar loss patterns. The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions.

18.3 Sensitivity Analysis

The Impairment Provision is Sensitive to Changes in Key Assumption Particularly the Weighted Average Cost of Capital (WACC).

Entity	Significant Unobservable Inputs	Sensitivity of the input to fair value
Asiri Surgical Hospital PLC	Weighted Average Cost of Capital (WACC) 14.39%	0.5% increase/(decrease) in the WACC would result in increase/(decrease) in impairment by LKR 2,006,761 and (LKR 2,025,721) respectively.

- 25.1** Messrs. Actuarial and Management Consultants (Private) Limited Actuaries, carried out an actuarial valuation of the defined benefit plan gratuity on 31 March of every year. Appropriate and compatible assumptions were used in determining the cost of retirement benefits. The principal assumptions used are as follows:

Principal Actuarial Assumptions

The principal financial assumptions underlying the valuation are as follows:

	GROUP	COMPANY
	2025	2024
Discount Rate	9.5% p.a	12% p.a
Salary Increase Rate	6% p.a	8% p.a

The demographic assumptions underlying the valuation are retirement age of 60 years.

NOTES TO THE FINANCIAL STATEMENTS

25.2 Sensitivity to Assumptions used

A percentage change in the principle assumptions would have the following effect on employee benefit liability.

	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Discount Rate				
Increase by one percentage point	(6,302,040)	(4,846,728)	(6,145,764)	(4,744,762)
Decrease by one percentage point	6,786,818	5,198,766	6,619,491	5,090,146

	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Salary Increase Rate				
Increase by one percentage point	7,814,443	6,098,690	7,615,088	5,966,229
Decrease by one percentage point	(7,369,799)	(5,774,241)	(7,180,357)	(5,647,735)

25.3 The following payments are expected on account of employees benefit liability in future years.

	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Within the next 12 months	41,901,638	42,340,265	39,581,466	40,488,751
Between 1 to 2 years	55,069,830	52,200,171	53,528,991	51,017,858
Between 3 to 5 years	45,710,808	33,217,016	44,985,036	32,562,547
Between 6 to 10 years	34,110,113	25,805,976	32,952,703	25,188,054
Beyond 10 years	8,077,219	6,455,040	7,961,137	6,405,063
	184,869,608	160,018,468	179,009,334	155,662,273

The Company average duration of the defined benefit plan obligation at the end of the reporting period is 4 years (2024 - 4 years).

National Development Bank	-	225	-	225
	1,193	1,168	1,193	1,168

Loan outstanding balances relating to above corporate guarantees are Sampath 100 Mn, HNB 180 Mn & Commercial 1.2 Bn as at 31 March 2025.

NOTES TO THE FINANCIAL STATEMENTS

30.3 Contingent Income Taxes

A dispute has arisen with the Department of Inland Revenue with regard to the applicability of the income tax exemption for the years of assessment 2005/06 to 2014/15, in terms of the agreement entered between Asiri Surgical Hospital PLC and the Board of Investment of Sri Lanka (BOI) in 2000. With respect to the same we have received written notifications from the Tax Appeals Commission so far for the years of assessments 2005/06, 2006/07, 2007/08, 2008/09, 2009/10, 2010/11, 2011/12, 2012/13, 2013/14 and 2014/15 and the Tax payable on the same is Rs 640 Mn including penalty of which Rs. 400 Mn was provided at 31st March 2025. Legal action against these assessments in the Court of Appeal is in progress.

We also have a case in the Court of Appeal in CA (Writ) 386/ 2016 preventing the recoverability of tax for the same matter and the judgement is to be delivered in January 2026. Since there is a litigation, in accordance with Paragraph 92 of LKAS 37, we are unable to provide further information on this and associated risks, in order not to impair the outcome and/or prejudice the Company's position in this matter.

Other than above, there are no significant changes in the nature of the contingent liabilities and contingent assets which were disclosed in the Annual Report for the year ended 31 March 2025.

31. EVENTS OCCURRING AFTER THE BALANCE SHEET DATE

There were no material events that occurred after the reporting date that require adjustments or disclosure to the Financial Statements.

Total Compensation paid to Key Management Personnel	3,267,473	3,125,000	3,267,473	3,125,000

33. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Risk is associated with any business. The type of risk and the degree to which it affects a particular business varies. Uncertainties provide both risk and opportunity with a potential to erode or enhance the enterprise value. The Board of Directors is mindful of these uncertainties and through the Management at various levels have put in place adequate systems to identify the probable occurrence of such risks in advance and to exercise mitigating measures to minimize the impact.

The key financial risks include operational risk, credit risk, interest rate risk, legal risk, foreign exchange risk, investment risk, liquidity risk and equity price risk. Managing these risks is part of the Group's/Company's risk management process.

Mechanisms adopted by the Group/Company in managing eventual impact of such risk are given below:

33.1 Credit Risk

The Group/Company admits patients on placement of a deposit or in an emergency, even without a deposit. Further, the hospital admits patients who are corporate clients. There is a risk of a patient not having adequate funds to settle his / her bill at the time of discharge. In order to mitigate such risk, the Company issues interim bills to the patients requesting periodic bill settlement. Further there is a risk of corporate clients' payments being delayed or not being paid. The Company evaluates credit worthiness of companies before granting credit facilities to corporate clients in order to minimize the non-collection of bills.

The maximum risk positions of financial assets which are generally subject to credit risk are equal to their carrying amounts.

The following table shows the maximum risk positions ;

	Note	GROUP		COMPANY	
		2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Loans Granted to Related Parties	13.2 & 20	5,716,368,680	5,625,548,345	5,716,368,680	5,625,548,345

33.1.3 Cash In Hand and at Bank

The Group/Company consciously manages the exposure to a single counterparty taking into consideration, where relevant, the rating or financial standing of the counterparty, where the position is reviewed as and when required, the duration of the exposure in managing such exposures and the nature of the transaction and agreement governing the exposure.

NOTES TO THE FINANCIAL STATEMENTS

33.2 Market Risk

33.2.1 Interest Rate Risk

Interest rate risk is the Company's exposure to adverse movement in interest rates. The Company has obtained multiple facilities from various banks for working capital expenditure and investment at varying terms and conditions. The finance function negotiates with banks and finance institutions to get the best interest rates and favourable terms for both long and short term borrowing facilities. Most lenders of the Company have granted loans under floating interest rates. Further, the Company has granted loans to related parties under floating interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant, of the Group's/Company's profit before tax.

	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Interest Rate				
Increase by 1%	28,412,905	23,597,230	28,412,905	23,772,230
Decrease by 1%	(28,412,905)	(23,597,230)	(28,412,905)	(23,772,230)

The spread of basis points used for the interest rate sensitivity analysis is based on the currently observable market environment.

33.2.2 Foreign Exchange Risk

Foreign Exchange Risk is the Company's exposure to adverse movement in foreign currency against the Sri Lankan Rupee. The Company do not have any significant direct impact from the foreign exchange risk.

33.2.3 Equity Price Risk

The Company holds listed and unlisted equity securities which are susceptible to market-price risk arising from uncertainties about future values of these securities. The Company manages the equity price risk through diversification and by placing limits on individual and total equity instruments. Periodic reports on equity investment portfolio is submitted to the senior management on a regular basis. The respective Boards of Directors review and approve all equity investment decisions.

33.3 Liquidity Risk

Cash flow forecasting is performed by the finance division. The finance division monitors rolling forecasts of the Company's liquidity requirements to ensure it has sufficient cash to meet operational needs. Such forecasting takes into consideration the Company's covenant compliance and compliance with internal balance sheet ratio targets.

The table below summarises the maturity profile of the Group's financial liabilities at 31 March 2025 based on contractual undiscounted payments.

33.4 Capital management

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2025.

The Group monitors capital using a gearing ratio for the company, net debt divided by total capital plus net debt, which is monitored closely by senior management. Net debt of the Group includes, interest bearing loans and borrowings, lease liability and bank overdraft less cash and cash equivalents.

As at 31 March	GROUP		COMPANY	
	2025 Rs.	2024 Rs.	2025 Rs.	2024 Rs.
Net Debt	2,569,685,430	2,805,470,675	2,848,085,518	3,019,686,119

Gearing Ratio (X)	0.28	0.31	0.28	0.30

34 PRIOR YEAR ADJUSTMENT

34.1 Impairment on related party receivable

During the year ended 31 March 2025, the Company reassessed receivables due from Softlogic Holdings PLC and its subsidiaries. This review identified impairment losses that should have been recognized in the prior year. As highlighted in the audit report for 2023/24, a qualified opinion was issued due to uncertainty regarding the recoverability of related party balances amounting to Rs. 2190 million. Based on updated financial and operational data, the necessary impairment provisions have now been recognized.

Consequently, the comparative information for 2023/24 have been restated to include an impairment provision of Rs. 623 million, while an additional Rs. 313 million has been recognized in the current year to reflect any further deterioration of credit quality. There was no impairment provision necessary as at 1 April 2023.

These adjustments have been appropriately reflected in the financial statement, so that the financial position as at 31 March 2025 (and any comparative amounts) accurately represents realizable values and resolves the prior year audit qualification.

34.1 Fair Value on investment in subsidiaries

The Financial Statements of Asiri Surgical Holdings PLC (the Company) have been restated in accordance with Sri Lanka Accounting Standard LKAS – 8, Accounting Policies, changes in Accounting Estimates and Errors, to reflect the following. During the year, The Company has voluntarily changed the accounting policy on accounting for Investment in subsidiaries, from cost to fair value under SLFRS 9 Financial Instruments (SLFRS 9), in compliance to LKAS 27 Separate Financial Statements with effect from 31 March 2025. Any gains (losses) in fair value will be recognised through Other Comprehensive Income. This accounting policy change was done to provide more reliable and relevant information on the financial position and financial performance of the Company to the

economic decision-making needs of users. As per LKAS 8 Accounting Policies, Change in Accounting Estimates and Errors, the change in accounting policy from cost to fair value under SLFRS 9 requires to be applied retrospectively by adjusting the opening balance of each affected component of equity for the earliest prior period presented and the other comparative amounts disclosed for each prior period presented as if the new accounting policy had always been applied. Accordingly, Statement of Financial Position and Statement of Changes in Equity as at 31 March 2024 and 1 April 2023 has been presented with restated balances which is the opening balance of earliest prior period presented.

NOTES TO THE FINANCIAL STATEMENTS
