CHAIRMAN'S REVIEW

It is with great pleasure that I welcome you to the 46th Annual General Meeting of Beruwala Resorts PLC. On behalf of the Board of Directors, I am pleased to present the Annual Report and Audited Financial Statements for the financial year ended 31st March 2025.

The past year has been both dynamic and rewarding. Amidst a shifting global and domestic landscape, we delivered a strong operational and financial performance, guided by clear strategy, disciplined execution, and prudent investments.

Our flagship property recorded an exceptional average occupancy rate of 84%, up from 70% the previous year an encouraging sign of the continued recovery in global travel. The hotel welcomed a diverse clientele, with arrivals led by Russia (20%), India (20%), China (15%), France (12%), Germany (8%), Sri Lanka and expatriates (6%), and the United Kingdom (4%). On average, we hosted guests from 6 to 8 nationalities daily, affirming our appeal across key source markets.

The hospitality sector in Sri Lanka experienced a meaningful rebound, with many regional hotels reporting occupancy levels above 70%. This revival was supported by the easing of travel restrictions, positive global travel advisories, targeted promotional efforts, and a more stable macroeconomic environment. Government initiatives including visa facilitation, infrastructure upgrades, and tourism-focused policy measures further boosted sectoral recovery.

In 2024, Sri Lanka welcomed 2.05 million international tourists, reflecting a 38.3% year-on-year increase and the highest inbound figures since 2019. The positive trajectory continued into 2025, with over 730,000 arrivals by end-March, compared to 635,000 during the same period in 2024. Key markets included India, Russia, the UK, Germany, China, Australia, and France.

Sri Lanka began emerging from a period of economic hardship in 2024. Supported by an IMF-led reform agenda and tight fiscal and monetary policy, the country saw inflation ease and interest rates fall significantly. The Average Weighted Prime Lending Rate (AWPLR) dropped from 21.4% to 8.45%, improving access to credit and stimulating economic activity.

Real GDP grew by 2.2% in 2024, reversing a 2.3% contraction in 2023. Projections for 2025 estimate growth between 2.7% and 3.5%, buoyed by renewed investor confidence, policy reforms, and robust tourism earnings exceeding USD 3 billion in 2024.

Amid this encouraging backdrop, Beruwala Resorts PLC recorded a turnover of LKR 841 million, up 16.4% from LKR 722 million the previous year. This growth was driven by higher occupancy, improved average daily rates, and increased arrivals from higher-spending European markets.

Profit before tax rose to LKR 153 million for the Company, while Group profit before tax reached LKR 138 million, representing a substantial 80% increase from LKR 77 million the previous year. These results validate our strategic direction and reflect operational excellence across all fronts.

In anticipation of rising demand, the Company invested over LKR 100 million in capital enhancements, including room refurbishments, kitchen upgrades, and aesthetic improvements. These enhancements have already begun to deliver returns in the form of improved guest satisfaction and higher average daily rates.

The outlook for Sri Lanka's tourism industry is optimistic, with 3 million arrivals targeted for 2025 surpassing pre-pandemic benchmarks. The Government's focus on niche segments such as marine, cultural, wellness, religious, and adventure tourism is expected to drive growth.

Simultaneously, significant investments in infrastructure and service quality are being made across both public and private sectors, reinforcing the country's appeal as a premium destination.

Despite the positive momentum, we remain vigilant. Structural economic challenges, regional competition, climate related risks, and talent migration continue to test the resilience of the hospitality sector.

In response, we have strengthened our commitment to Human Resource Development. A comprehensive training and capacity-building program has been launched to enhance service delivery and develop a future-ready workforce. Our people remain our greatest asset, and we are committed to investing in their growth and wellbeing.

As we approach the winter season traditionally our strongest period we do so with optimism and confidence. The past year has demonstrated once again the resilience, adaptability, and potential of the tourism sector in Sri Lanka. With a strong foundation, clear vision, and dedicated team, Beruwala Resorts PLC is well-positioned to sustain momentum and create long-term value for all stakeholders.

I extend my sincere gratitude to Mr. C. P. R. Perera and Mr. A. R. Rasiyah, who resigned from the Board effective 31 December 2024. Their leadership, strategic insight, and unwavering commitment to the organization have been instrumental in guiding us through significant periods of growth and transformation. On behalf of the Board and the company, I wish them every success in their future endeavours.

At the same time, we are pleased to welcome Mr. S. B. Perera and Mr. J. E. P. Kehelpannala to the Board. They each bring a wealth of experience in finance, operations and governance and I am confident that their expertise will be a valuable asset as we pursue our strategic priorities.

On behalf of the Board, I extend my sincere appreciation to our staff for their unwavering dedication, to our guests and partners for their continued loyalty, and to our shareholders for their confidence and support.

Together, we will continue to build a more agile, resilient, and sustainable enterprise.

COMPANY OVERVIEW

COMPANY OVERVIEW

In the financial year 2024/2025, our company continued to demonstrate resilience in a dynamic market environment. Despite facing challenges such as changing consumer preferences and economic uncertainties, we achieved significant milestones and maintained our position as a preferred destination in the island's hospitality industry.

FINANCIAL PERFORMANCE

Our financial performance for the year under review showcased steady growth and operational efficiency. Total revenue increased by 16.4% compared to the previous year, driven by a combination of increased occupancy rates and effective revenue management strategies. Net profit before tax rose to LKR 153 million, while the Group's profit before tax stood at LKR 138 million, reflecting a substantial 80% increase from LKR 77 million the year before reflecting our commitment to cost control and operational leverage.

REBRANDING STRATEGY

In May 2024, we embarked on a rebranding strategy, transitioning from Colombo Fort Hotels to Fort Resorts. The original brand name was inspired by our parent company, Colombo Fort Land & Building. However, as we operate three well-established resorts, Sigiriya Village, The Palms, Beruwala, and Club Palm Bay, Marawila, we felt that the term Colombo Fort Hotels conveyed an impression of city-based properties. In contrast, Fort Resorts more accurately reflects the character and positioning of our portfolio.

OPERATIONAL HIGHLIGHTS

Throughout the year, we focused on enhancing the guest experience and streamlining our operations. We invested in staff training programs to ensure high-quality service delivery and the facilities at the property. Our efforts resulted in improved guest satisfaction scores and increased operational productivity.

MARKET TRENDS AND OUTLOOK

Looking ahead, we remain cautiously optimistic about the future despite ongoing market volatility. We recognize the importance of staying agile and adaptable in response to changing consumer demands and market conditions. By closely monitoring industry trends and consumer preferences, we aim to position ourselves for continued success and sustainable growth.

RISKS AND CHALLENGES

While we are confident in our ability to navigate challenges, we acknowledge the various risks that may impact our business. These include fluctuations in demand, regulatory changes, and competitive pressures. To mitigate these risks, we have established robust risk management processes and contingency plans to safeguard our operations and financial performance.

CONCLUSION

In conclusion, 2024/2025 was a year of progress and achievement for our company. We are grateful for the dedication of our team members, the loyalty of our guests, and the support of our stakeholders. As we look towards the future, we are committed to upholding our values of excellence, innovation, and consumer satisfaction.

- Risk Management.
- Efficiency of the system of internal controls.
- Independence and objectivity of the External (Statutory) Auditors.
- Appropriateness of the principal accounting policies used.
- Financial Statement integrity.

ROLE OF THE AUDIT COMMITTEE

The Audit Committee principally performs an advisory role to the Board and its main objective is to assist the Board of Directors by advising the management in ensuring that the Company follows best practices of sound financial reporting and adhering to relevant accounting standards and principles, adequacy of internal controls and risk control measures, efficient management reporting systems and adherence to other statutory requirements. In fulfilling this role, the Audit Committee is empowered to examine the financial records of the Company and other communications as necessary in order to ensure that the Company adheres to accepted norms of ethical guidelines, rules and regulations.

The Audit Committee recommends to the Board the appointment or re-appointment of external Auditors ensuring independence and maintains a close professional relationship with them. The Committee also recommends to the Board the fees payable to external Auditors.

RISK MANAGEMENT, INTERNAL CONTROL AND FINANCIAL REPORTING

The committee obtained and reviewed the statements from management confirming that adequate internal control measures are in place and implemented in the Company, including the Company's operations and finances.

The Audit Committee reviewed the financial reporting system adopted to prepare Financial Statements to ensure that the reliability of the process and consistency of the accounting policies and methods adopted are in compliance with financial reporting requirements, information requirements under the CSE Listing Rules, the Companies Act, the SEC Act, Sri Lanka Accounting Standards (SLFRS/LKAS) and other relevant financial reporting related regulations and requirements.

The Committee satisfied itself that adequate internal controls and procedures are in place to provide reasonable assurance that the Company's assets are safeguarded.

M/S Deloitte Partners have been appointed to function as the Internal Auditors of the Company and Committee reviewed and approved the Internal Audit Charter.

The Committee effectively discharged its apex function of reviewing and recommending the quarterly unaudited financials and the annual audited financials for approval of the Board.

The Group is currently reviewing key regulatory developments. Steps are being taken to ensure compliance and integrate these areas into a broader Risk Management approach. A formal Risk Management Framework will be developed over the next year and refined over time.

EXTERNAL AUDIT

The Company has appointed B.R. De Silva & Company as its External Auditors and the services provided by them are segregated between audit/ assurance services and other advisory services such as tax consultancy.

B.R. De Silva & Company has also issued a declaration as required by the Company's Act No. 07 of 2007 that they do not have any relationship or interest in any of the companies in the Group, which may have a bearing on the independence of their role as Auditors.

The Audit Committee has evaluated the auditor's independence and determined that they are in fact independent and objective in their role. No non-audit work was performed by them or affiliated parties in the year under review. Audit Partner rotation is under review by the committee as is auditor rotation and appropriate recommendations will be made to the Board in the next year.

The Committee after evaluating the independence and performance of the External Auditors has recommended to the Board the reappointment of B.R. De Silva & Company for the financial year ending 31st March, 2026 subject to the approval of the Shareholders at the Annual General Meeting of the Company.

PURPOSE OF THE COMMITTEE

The Committee oversees the corporate governance structure of the organization, providing an overview of the principles, policies, and practices of the Board of Directors. This framework enables the company to meet the governance requirements of the Colombo Stock Exchange (CSE), and the Securities and Exchange Commission of Sri Lanka (SEC).

Furthermore, the Committee is responsible for reviewing and recommending improvements to the Company's governance policies and practices.

The Committee monitors the effectiveness of compliance with the relevant regulatory and legal requirements and makes recommendations to the Board on such matters and any corrective action to be taken, as the Committee may deem appropriate.

Whilst exercising the oversight with respect to the corporate governance by the Board of Directors, the Committee also considers and recommends succession arrangements from time to time for the retiring Directors, taking into account the additional/new expertise required. The Committee regularly reviewed the structure, size, composition including gender representation and competencies (including the skills, knowledge and experience) of the Board members and made recommendations to the Board with regard to any changes.

The fitness and propriety of the Directors were considered during the year as and when required to ensure compliance with requirements and Corporate Governance Rules of the CSE.

Performance evaluations of the Board were conducted in March 2025, reviewed of by the committee and discussed at Board meeting.

The policies have been documented and recommendations have been made to the Board of Directors by the committee when nominating Directors for re-election/re-appointment at the forthcoming Annual General Meeting.

The newly appointed Directors were briefed on the structure, processes and resources of the Company and the applicable corporate governance framework, applicable Listing Rules, securities market regulations and other applicable laws and regulations. Further an annual update was given to existing Directors on Corporate Governance, Listing Rules, securities market regulation and other applicable laws and regulations. Any major issues relating to the Company are communicated to the Directors and special meetings of the Board are held when the need arises to address such matters.

RE-APPOINTMENTS/RE-ELECTIONS

In terms of the Articles of the Association any Director appointed by the Board holds office until the next Annual General Meeting at which he seeks re-election by the Shareholders.

The Articles of Association require one third of the Directors in office to retire at each Annual General Meeting. The Directors to retire in each year are who have been longest in office since the last election or appointment. The retiring Directors are eligible for re-election by the Shareholders.

Accordingly, respective members of the Committee whilst refraining from participating in recommending their own re-election or re- appointment, in terms of the Articles of Association of the Company, recommended the re-election of Mr. Anushman Rajaratnam who retires by rotation and as well as the re - election of Mr. S. B. Perera and Mr. J. E. P. Kehelpannala who were appointed to fill casual vacancies on the Board during the year, and to reappoint in terms of Section 211 of the Companies Act No. 7 of 2007, Mr. S. D.R. Arudpragasam who is over seventy years of age, based on their performance and the contribution made to achieve the objectives of the Board.

In view of the pivotal leadership role played by Mr. S.D.R. Arudpragasam, Chairman, his Management oversight skills, integrity, expertise, extensive experience and business acumen, the Committee has recommended to the shareholders to reappoint Mr. S.D.R. Arudpragasam who is over seventy years of age and who retires in terms of Section 210 of the Companies Act No. 7 of 2007.

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF BERUWALA RESORTS PLC

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Beruwala Resorts PLC ("the Company") and the consolidated financial statement of the Company and its subsidiaries ("the Group"), which comprise the statement of financial position as at 31st March 2025 and the statement of profit or loss and other comprehensive income comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory notes.

In our opinion, the accompanying financial statements of the Company and the Group give a true and fair view of the financial position of the Company and the Group as at 31st March 2025, and of their financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are Independent of the Group in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics), and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How the matter was addressed
1 Recognition of Revenue Revenue of the Group for the year ended 31st March 2025 was Rs. 841,256,711 Company's revenue is disclosed in note No. (03) and related accounting policies are disclosed in note No. (2.27.1) to the financial statements. We considered revenue as a key audit matter due to its high volume, and complexity.	- Our audit procedures in relation to revenue recognition included both tests of controls as well as substantive procedures. - Obtained an understanding of company's revenue recognition basis. - We reviewed the company's accounting policies in respect of revenue recognition and found them to be in compliance with Sri Lanka Accounting Standards. - We performed analytical review procedures to assess whether the recognized revenue was in line with the expected level. - Tested invoices raised to Customers on a sample basis, to ensure revenue is recognized and measured in accordance with the contractual terms of the contracts and the Company's accounting policies. - Carried out substantive testing in respect of revenue cut off around the year end date. - We assessed the adequacy of the disclosures made in the Financial Statements.

Key Audit Matter	How the matter was addressed
2 Transactions with Related parties Related party balances and transactions of the Group are disclosed in notes (18), (27) & (32) to the Financial Statements. The company is engaged in related party transactions during the ordinary course of business. A considerable part of interest income, interest expenses and other recurring expenditure are channeled through related companies. Due to the inherent risk attached to related party transactions we considered this as key audit matter.	• Evaluated the process established by the management in identifying and reporting related party transactions. • Reviewed the minutes of the related party transactions review committee. • We read contracts and agreements with related parties to understand the nature, terms and conditions of the transactions. • Reviewed a sample of transactions and ensured that transactions are taken place on arm's length basis. • Critically examined the accuracy of intercompany reconciliations carried out by the management. • Checked the adequacy of disclosures made in relation to related party transactions.

Other information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained on the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's and the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SLAuSs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current year and are therefore the Key Audit Matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

NOTES TO THE FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

1.1. Reporting Entity

Beruwala Resorts PLC is a public limited liability company incorporated and domiciled in Sri Lanka. The registered office of the Company is located at premises No.8 1/3, York Arcade Building, Leyden Bastian Road, Colombo 01 and the principal place of business is located at Moragalla, Beruwala.

1.2. Principal Activities and Nature of Operation

The Principal activity of the Company and subsidiary is to carry on the business of a Tourist Hotel.

The average number of employees of the company as at the end of year was 180 (31st March 2024– 180).

1.3. Date of Authorization for Issue

The Financial Statements for the year ended 31st March 2025 were authorized to issue by the Board of Directors on 17th June 2025.

Notes to the Financial Statements on pages 44 to 85 form an integral part of the Financial Statements.

2. BASIS OF PREPARATION

2.1. Statement of Compliance

The Financial Statements have been prepared in accordance with Sri Lanka Accounting Standards (LKAS/SLFRS), adopted by The Institute of Chartered Accountants of Sri Lanka (CA) and the requirements of the Companies Act, No. 07 of 2007 and Sri Lanka Accounting and Auditing Standards Act No.15 of 1995.

Sri Lanka Accounting Standards, (SLFRS/LKAS), issued by the Institute of Chartered Accountants of Sri Lanka materially converged with the International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB).

2.2. Basis of Consolidation

The consolidated financial statements comprise the Financial Statements of the Company and its subsidiary as for the year ended 31st March 2025. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if, and only if, the Group has:

- Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee)

- Exposure, or rights, to variable returns from its involvement with the investee
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights results in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement(s) with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary. Profit or loss and each component of Other Comprehensive Income are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation. A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it derecognizes the related assets (including goodwill), liabilities, non-controlling interest and other components of equity, while any resultant gain or loss is recognized in profit or loss. Any investment retained is recognized at fair value.

2.3. Basis of Measurement

The Financial Statements have been prepared on an accrual basis and under the historical cost convention unless stated otherwise.

2.4. Comparative Information

The Financial Statements provide comparative information in respect of the previous period. The accounting policies have been consistently applied by the Company and they are consistent with those used in the previous years. Previous year's figures and phrases have been re-arranged whenever necessary to conform to the current presentation.

2.5. Materiality and Aggregation

Each material class of similar items is presented separately in the Consolidated Financial Statements. Items of a dissimilar nature or function are presented separately unless they are immaterial.

2.6. Use of Estimates, Judgments and Assumptions

The preparation of Financial Statements in conformity with SLFRS/LKAS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities at the reporting date. Actual results may differ from those estimates and judgmental decisions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

2.7. Going Concern

In determining the basis of preparing the financial statements for the year ended 31 March 2025, based on available information, the management has assessed the existing and anticipated effects of the uncertainty on the Group Companies and the appropriateness of the use of the going concern basis. In March 2025, the Group evaluated the resilience of its businesses considering a wide range of factors under multiple stress tested scenarios, relating to expected revenue streams, cost management, profitability, the ability to defer nonessential capital expenditure, debt repayment schedules, if any, cash reserves and potential sources of financing facilities, if required, and the ability to continue providing services to ensure businesses continue as least impacted as possible.

The Directors have made an assessment on the Company's ability to continue as a going concern and are satisfied that it has the resources to continue in business for the foreseeable future. In determining the above

significant management judgements, estimates and assumptions the impact of the Country's financial crisis has been considered as of reporting date and specific considerations have been disclosed under the relevant notes.

Furthermore, board is not aware of any material uncertainties that may cast significant doubt upon the Company's ability to continue as a going concern and they do not intend either to liquidate or cease operations of the Company. Therefore, the Financial Statements continue to be prepared on the going concern basis.

2.8. Functional and Presentation Currency

The Financial Statements are presented in Sri Lanka Rupees, which is the Company's functional and presentation currency.

2.9. Foreign Currency Transactions

All foreign currency transactions are converted in to Sri Lanka Rupees at the rates of exchange prevailing at the time the transactions were affected.

Monetary assets and liabilities denominated in foreign currencies have been translated into the local currency, at the rate of exchange ruling at the Statement of Financial Position date while all non-monetary items are reported at the rate prevailing at the time transactions were affected.

The exchange differences arising therefrom have been dealt with in the Statement of Comprehensive Income.

2.10. Events Occurring after the Reporting Period

All material events occurring after the reporting period have been considered and appropriate adjustments or disclosures have been made in the respective notes to the Financial Statements.

2.11. Changes in Accounting Policies

The accounting policies applied in the consolidated financial statements are the same as those applied in the Group's consolidated financial statements as at and for the year ended 31 March 2025.

2.12. Business combination and Goodwill

The subsidiary and its controlling percentage of the Group, which have been consolidated, are as follows:

	2025	2024
B.O.T Hotel Services (Pvt) Ltd	68.68%	68.68%

NOTES TO THE FINANCIAL STATEMENTS

2.13. Assets and Bases of their Valuation

Assets classified as current assets in the balance sheet are cash and those assets which are expected to be realized in cash during the normal operating cycle of the Company's business or within one year from the Balance Sheet date, whichever is shorter. Assets other than current assets are those, which the Company intends to hold beyond a period of one year from the Statement of financial position date.

2.14. Property, Plant & Equipment

Property, Plant & Equipment is stated at cost less accumulated depreciation and any accumulated impairment in value. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the assets to working condition for its intended use.

The cost of self-constructed assets includes the cost of material, direct labour, and any other costs directly attributable to bring the assets to the working condition for its intended use. This also includes cost of dismantling and removing the items and restoring in the site on which they are located.

The carrying values of property, plant & equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

2.15. Subsequent Expenditure

The cost of replacing part of an item of property, plant & equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of those parts that are replaced is de-recognized in accordance with the de-recognition policy given below. The costs of the day-to-day servicing of property, plant & equipment are recognized in profit or loss as incurred.

2.16. De-recognitions and Depreciations

De-recognition

Items of property, plant & equipment are derecognized upon replacement, disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset is included in the Income Statement in the year the asset is derecognized.

Depreciation

Depreciation is calculated on a straight-line basis over the estimated useful lives of each part of an item of property, plant & equipment. Assets held under finance leases are

depreciated over the shorter of the lease term and the useful lives of equivalent owned assets. Freehold land is not depreciated.

Depreciation of an asset begins when it is available for use and ceases at the earlier of the dates on which the asset is classified as held for sale or is derecognized.

Provision for depreciation is calculated by using a straight-line method on the cost or valuation of all property, plant and equipment, other than freehold land, in order to write off such amounts over the estimated useful economic life of such assets.

The estimated useful lives of assets are as follows:

Assets	Years
Buildings	50
Bath ware Equipment	20
Plant & Equipment	10
Kitchen Equipment	10
Electrical Equipment	10
Office Equipment	10
Furniture & Fittings	10
Motor Vehicles	10
Cutlery Crockery & Linen	10
Computer Equipment	05
Computer Software	05

The useful life and residual value of assets are reviewed, and adjusted if required, at the end of each financial year.

2.17. Intangible Assets

An Intangible asset is recognised if it is probable that future economic benefits associated with the asset will flow to the Group and the cost of the asset can be reliably measured.

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is the fair value as at the date of acquisition.

Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses.

The useful lives of intangible assets are assessed to be either finite or indefinite. The intangible assets of the Company consist of the Computer Software.

Computer software

Acquired computer software licenses are capitalised on the basis of the costs incurred to acquire and bring to use the specific software. Costs associated with developing or maintaining computer software programmes are recognised as an expense when incurred. Costs include the software development, employee costs and an appropriate portion of relevant overheads.

Computer software is amortised over 05 years on a straight line basis. The amortisation period and the amortization method for computer software are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense is recognised in the profit or loss.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the profit or loss.

2.18. Investments in subsidiaries

Investment in subsidiaries is initially recognised at cost in the financial statements of the Company. Any transaction cost relating to acquisition of investment in subsidiaries is immediately recognised in the income statement. After the initial recognition, Investments in subsidiaries are carried at cost less any accumulated impairment losses.

Name of the Subsidiary	Principle place of the business	Registered place of the business
B O T Hotel Services (Pvt) Ltd	Kapparithota, Matara, Sri Lanka	York Arcade Building, 8-512, Leyden Bastian Road, Colombo 01, Sri Lanka.

2.19. Non-Controlling Interests

NCI are measured at their proportionate share of the acquiree's identifiable net assets at the date of acquisition. Changes in the group's interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

2.20. Leases

(a) Basis of Recognition

The Group applies Sri Lanka Accounting Standards SLFRS 16 "Leases" in accounting for all lease hold rights except for which the lease term ends within 12 months period, leases of low value assets and leases of variable lease terms.

(b) Basis of measurement

The Group recognises right-of-use assets at the date of commencement of the lease, which is the present value of lease payments to be made over the lease term. Right-of-use assets are measured at cost less any accumulated amortization and impairment losses and adjusted for any re-measurement of lease liabilities. The cost of the right-of-use assets includes the amount of lease liabilities recognized, initial direct cost incurred, and lease payments made at or before the commencement date less any lease incentives received.

Right of use assets are amortized on the straight-line basis over the lease term.

(c) Lease liability

At the commencement date of the lease, the Group recognises lease liabilities, measured at present value of lease payments to be made over the lease term.

The present value of lease commitments as at 1st April 2024 has been calculated using weighted average incremental borrowing rate of 16.97%.

The Group applied modified retrospective approach in accordance with SLFRS 16 when accounting for right-of-use assets and operating lease liabilities.

NOTES TO THE FINANCIAL STATEMENTS

2.21. Borrowing Costs

Borrowing costs are recognized as an expense in the period in which they are incurred except those that are directly attributable to the acquisition, construction or production of a qualifying asset that takes a substantial period of time to get ready for its intended use or sale, where it is capitalized as a part of the cost of that asset.

2.22. Cash and Cash Equivalents

Cash and cash equivalents include notes and coins on hand, balances with banks, money at call and short notice with less than three months' maturity from the date of acquisition.

2.23. Financial Assets and Financial Liabilities

(a) Initial Recognition and Measurement

The Company recognizes a financial asset or a financial liability in its statement of financial position when the entity become party to the contractual provisions of the instrument.

Company initially measures its financial assets at fair value plus in case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Company initially measures its liabilities at fair value minus in case of a financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the issue of the financial liabilities.

Despite the above paragraph, at initial recognition, the company measures trade receivables at their transaction price as defined in SLFRS 15.

(b) Classification of Financial Assets

a. Financial assets are classified as subsequently measured at amortised cost, Fair Value through other comprehensive income or fair value through profit or loss based on

- The company's business model for managing the financial assets and
- The contractual cash flow characteristics of the financial assets

b. Financial Assets measured at Amortized cost

A Financial asset is measured at amortised cost if both the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c. Financial assets measured at fair value through other comprehensive income

A financial asset is measured at fair value through OCI if both of following conditions are met.

- The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

d. Financial assets measured at fair value through profit or loss

A financial asset is measured at for value through profit or loss unless it is measured at amortized cost or fair value through OCI in accordance with paragraph (ii) and (iii) above.

(c) Classification of Financial liabilities

Financial liabilities are subsequently measured at amortized cost, except for,

- Financial liabilities at fair value through profit or loss.
- Financial liabilities that arise when a transfer of a financial asset does not qualify for de-recognition or when the continuing involvement approach applies
- Financial guarantee contracts
- Commitments to provide a loan at a below-market interest rate.

(d) Reclassification

- a. Financial assets are reclassified when and only when the company changes its business model for managing financial assets.

If the company reclassifies financial assets, such reclassification is applied prospectively from the reclassification date and previously recognized gains, losses (including impairment gains or losses) are not restated.

Guidance in paragraph 5.6.1 to 5.6.7 to SLFRS 09 – Financial instruments are applied in the event of a reclassification of financial assets.

- (i) Financial liabilities are not reclassified

(e) Amortised cost Measurement

Interest revenue is calculated by using the effective interest method by applying effective interest rate to the gross carrying value originated credit impaired financial assets

- Purchased or Originated credit impaired financial assets.
- Financial assets that are not purchased or originated credit impaired financial assets but subsequently have become credit impaired financial assets.

(f) Impairment

The company recognizes a loss allowances for expected credit losses on a financial asset.

Where on the reporting date the credit risk on the financial instrument has increased significantly since initial recognitions, loss allowances at an amount equal to the lifetime expected credit losses is made.

Where on the reporting date the credit risk on the financial instrument has not increased significantly since initial recognitions, loss allowances is measured for that financial instrument at an amount equivalent to 12 month expected credit losses.

(g) De-recognition of Financial Assets

The company derecognises a financial asset when:

- the contractual rights to the cash flows from the financial asset expire, or
- it transfers the financial asset and the transfer qualifies for de-recognition.

(h) De-recognition of Financial Liabilities

A financial liability is removed (or a part of a financial liability) from its statement the financial position when, and only when, it is extinguished-i.e. when the obligation specified in the contract is discharged or cancelled or expires.

2.24. Inventories

Inventories are stated at lower of cost and estimated at net realizable value.

Provision is made for obsolete, slow moving and defective inventories where necessary.

Perishables, products with short shelf lives or expiration dates, or specific seasonal inventories were considered at risk of an impairment. The Company has adequately adjusted the carrying value of the inventory to reflect its net realisable value.

2.25. Employee Benefits**2.25.1. Defined Benefit Plans - Retirement Gratuity**

A defined benefit plan is a post - employee benefit plan other than a defined contribution plan.

The liability recognized in the Balance Sheet in respect of defined benefit plan is the present value of defined obligation at the Balance Sheet date. The defined benefit obligation is calculated annually by independent actuaries using Project Unit Credit method (PUC) as recommended by LKAS 19 (Revised 2006) - Employee Benefits. The present value of the defined benefit obligation is determined by discounting the estimated future cash flow.

The actuarial gain or losses are charged or credited to Income Statement in the period in which they arise.

However, according to the Payment of Gratuity Act, No. 12 of 1983, the liability for the gratuity payment to an employee arises only on the completion of 5 years of continued service.

(a) Defined Contribution Plans - Employees' Provident Fund & Employees' Trust Fund

All employees who are eligible for Provident Fund Contributions and Trust Fund Contributions are covered by relevant contribution funds in line with respective statutes and regulations. Contribution plans are recognized as an expense in the Statement of Comprehensive Income when incurred.

NOTES TO THE FINANCIAL STATEMENTS

All actuarial gains and losses at 1st April 2011, the date of transition to SLFRS/LKASs, were recognized in retained earnings. The Company recognizes all actuarial gains and losses arising subsequently from defined benefit plans in other comprehensive income and expenses related to defined benefit plans in personnel expenses in the Income statement of profit and loss. This liability is not externally funded.

2.26. Provisions, Contingent Assets and Contingent Liabilities

Provisions are made for all obligations existing as at the reporting date when it is probable that such an obligation will result in an outflow of resources and a reliable estimate can be made of the quantum of the outflow.

All contingent liabilities are disclosed as a note to the financial statements unless the out flow of resources is remote.

Contingent assets are disclosed, where inflow of economic benefit is probable.

2.27. Income Statement

2.27.1. Revenue Recognition

SLFRS 15 established a comprehensive framework for determining whether how much and when revenue recognized. Revenue is measured based on the consideration specified in a contract with a customer. Under SLFRS 15, the Group revenue is recognise when a customer obtained control of the goods or services – Determining the timing of the transfer of control – at a point in time or over time requires judgement.

Under SLFRS 15, revenue is recognized to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognition will not occur.

the following specific criteria are used for the purpose of recognition revenue:

- Apartment revenue is recognized for the rooms occupied on a daily basis. All revenues are recognized on an accrual basis over the time of the duration of the stay of customer and matched with the related expenditure where they simultaneously receive and consumes the benefits of the services rendered.
- Restaurant revenue includes the revenue recognized on the sale food and beverage. All revenue is accounted for at the time of services rendered.
- Bar revenue are accounted for at the time of sale.

2.27.2. Other Income

(a) Dividend Income

Dividend income is recognized when the shareholders 'right to receive such dividend is established.

(b) Interest Income

Interest income is recognized on an accrual basis from the date of deposit to the reporting date.

2.27.3. Expenditure Recognition

All expenditure incurred in the running of the business and in maintaining the property, plant & equipment in a state of efficiency has been charged to revenue in arriving at the profit for the year. Expenditure incurred for the purpose of acquiring and extending or improving assets of a permanent nature by means of which to carry on the business or for the purpose of increasing the earning capacity of the business has been treated as capital expenditure.

For the purpose of presentation of the income statement, the "function of expenses" method has been adopted, on the basis that it presents fairly the elements of the Company's performance.

2.27.4. Finance Cost

Finance costs comprise of all interest and other costs incurred in connection with borrowings, and are recognized as an expense in the period in which they are incurred, unless they are incurred in respect of qualifying assets in which case it is capitalized.

2.27.5. Earnings per Share

The Company presents basic earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

2.27.6. Income Tax Expenses

Income tax expense comprises current and deferred tax. Income tax expense is recognized in profit or loss except to the extent that it relates to items recognized directly in equity, when it is recognized in equity.

2.27.7. Current Tax

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted at the reporting date and any adjustments to tax payable in respect of previous years.

The provision for income tax is based on the elements of income and expenditure as reported in the Financial Statements and computed in accordance with the provisions of the Inland Revenue (Amendment) Act, No. 4 of 2023.

2.27.8. Deferred Tax

Deferred taxation is the tax attributable to the temporary differences that arise when taxation authorities recognize and measure assets and liabilities with rules that differ from those used in the Financial Statements.

Deferred tax is provided using the liability method on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax liabilities are recognized for all taxable temporary differences.

Deferred tax assets are recognized for all deductible temporary differences, unused tax credits and tax losses carried forward to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the unused tax credits and tax losses carried forward can be utilized.

Deferred tax is not recognized for the following temporary differences: the initial recognition of goodwill, the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects either accounting nor taxable profit, and difference relating to investments in subsidiaries to the extent that they probably will not reverse in the foreseeable future.

Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

A deferred tax asset is recognized only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Tax withheld in dividend income from subsidiaries and associates is recognized as an expense in the Income statements at the same time as the liability to pay the related dividend is recognized.

2.28. Statement of Cash Flows

The Statement of Cash Flows has been prepared using 'indirect method'. Interests paid are classified as operating cash flows while dividends paid are classified as financing cash flows. Interests and dividends received

are classified as investing cash flows for the purpose of presentation of Cash Flow Statement.

For the purpose of Cash Flow Statement, cash & cash equivalents consist of cash at bank and in hand and short-term deposits net of outstanding bank overdrafts.

2.29. Related Party Transactions

Disclosures have been made in respect of the transactions between parties who are defined as related parties as per Sri Lanka Accounting Standards 24 – "Related Party Disclosures", in note 32.7 in the Financial Statements.

2.30. Financial Risk Management Policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company has loan and other receivables, trade and other receivables, and cash that arrive directly from its operations. The Company also holds available-for-sale investments. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management monitors these risks. The Company's senior management is supported by an audit committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The Audit committee provides assurance to the Company's senior management that the Company's financial risk-taking activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with Company policies and risk appetite.

2.31. Risk Management

2.31.1. Liquidity risk management

The Company has implemented a mixed approach that combines elements of the cash flow matching approach and the liquid assets approach. The Company attempts to match cash outflows in each time bucket against the combination of contractual cash inflows plus other

inflows that can be generated through the sale of assets, repurchase agreement, or other secured borrowings. The Company considered that cash flow scrutiny is paramount and has adopted a disciplined approach across the Company including setting up of Company-wide spend control and cash management steering committees (Cash war rooms) for preserving and increasing liquidity, particularly on account of the impact of the adverse macroeconomic conditions prevailing in the country.

NOTES TO THE FINANCIAL STATEMENTS

2.31.2. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. Most lenders grant loans under floating interest rates. To manage this, based on the market condition & outlook of the interest rate, the Company takes mitigating action such as interest rate swaps, caps, etc. Following the adverse macroeconomic condition in the Sri Lanka have resulted increases in policy rates which have shot up AWPLR & LIBOR. However the Company strive to manage this with increased pricing for its USD invoices and negotiating with the banks to keep the lending rate at a minimum level.

2.31.3. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company has exposure to foreign currency risk where it has foreign currency transactions which are affected by foreign exchange movements. The Sri Lankan Rupee witnessed a slight appreciation against the US Dollar in the financial year ended 31st March 2025 with the boost of tourism in the country, recover of the economy with assistant of IMF program and political stability in the country. The Company exposed to foreign currency denominated payments with local currency revenues are positively impacted to undue fluctuations in exchange rates. However the Company invoices its clients in USD while LKR invoices are converted at the buy rate published by the Central Bank of Sri Lanka.

2.32. Standards Issued But Not Yet Effective

- 13.2.** As part of the Group's strategic initiative to enhance the value and quality of its hospitality portfolio, a major refurbishment project has been planned for the property operated by BOT Hotel Service (Pvt) Ltd, located at Fisherman's Bay, Weligama. The proposed refurbishment marks a significant step toward reactivating the property. Scheduled to commence in the upcoming financial year, the project will involve upgrading core infrastructure, modernizing guest facilities, and enhancing the property's overall aesthetics to align with current hospitality standards and market expectations. Planning activities are at an advanced stage, with an architect already appointed to undertake the preliminary design work. The refurbishment will be executed in phases, with the objective of restoring the property to operational status and enhancing its long-term value.

33.4.3. Fair value measurement

The following methods and assumptions were used to estimate the fair values:

Cash & Cash Equivalents, Trade and Other Receivables, Trade and Other Payables approximate their carrying amounts largely due to the short term maturities of these instruments.

Fair Value Hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques.

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2 : Inputs that have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques that use inputs have a significant effect on the recorded fair value not based on observable market data.

34 RISK MANAGEMENT FRAMEWORK

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board has delegated this responsibility to the Audit Committee which is supported by the Senior Management of the Company in identifying, measuring and managing the risks of the Company.

34.1 Credit Risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, foreign exchange transactions and through the use of other financial instruments.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date is as follows:

		Group		Company

Based on historic default rates, the Company believe that, no impairment allowance is necessary in respect of Amounts due from Related Companies not past dues or past due by up to 365 days.

34.2. Liquidity Risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Group.

The following are the contractual maturities of financial liabilities, including estimated interest payments and excluding the impact of setting agreements.

		-10%	76,102,664

NOTES TO THE FINANCIAL STATEMENTS**34.5. Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long term debt obligations with floating interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant, of the Group's profit before tax (through the impact on floating rate borrowings).

Group	Increase/ (Decrease) in interest rate	Effect on profit before tax (Rs.)	Effect on Equity (Rs.)
2025	1%	(578,093)	(578,093)
	-1%	578,093	578,093
2024	1%	(602,368)	(602,368)
	-1%	602,368	602,368
Company	Increase/ (Decrease) in interest rate	Effect on profit before tax (Rs.)	Effect on Equity (Rs.)
2025	1%	(577,772)	(577,772)
	-1%	577,772	577,772
2024	1%	(602,368)	(602,368)
	-1%	602,368	602,368

At the reporting date the interest rate profile of the Company's interest bearing financial instruments was;
